A very pretty dinner party was given by Misses Olive Crawford and Lulu Gulling, Sunday for twelve of their young lady friends. They were assisted by Misses Edna Wissler and Ethel Gulling. The dining room was beautifully decorated in marguerites, white pink and white peonies formed the center piece on the table.

A very pretty feature was the place cards, each bearing a four leaf clover. Covers were laid for: Edna McCall, Dorothy Sailor, Justine Clark, Dorothy Zuber, Muriel Goodnough, Sadie McCoy, Ellen Grady, Mayme Reith, Mae White, Winnie Ormond, Bessie Goodnough, and Ivy Long.

Mrs. Fred Kiddle of Island City has invited the ladies of the Five Hundred Club for Friday afternoon.

CONSTABULARY KILLED AND CAPTURED (Scripps News Association)
Manila, June 20—Pulajanes, under leadership of Pascor, attacked the town of Varauen early this morning and killed five of the constabulary, wounded five more and captured all the remainder with the exception of the Lieutenant that was in command. The vandals burned the municipal records and fled carrying with them the dead and wounded. The constabulary was taken wholly unaware and were surrounded by the enemy before they knew what was happening. The little handful of guards fought valiantly until they were overwhelmed by numbers.

OLD SORES OFTEN LEAD TO CANCER

Whenever a sore or ulcer does not heal and shows signs of becoming chronic, it should arouse suspicion, because many of these places lead to cancer. It may appear as an ordinary sore at first, and is given treatment as such, with some simple salve, wash or plaster, with the hope that the place will heal, but the real seat of the trouble is in the blood and cannot be reached by external remedies, and soon the sore will return. After awhile the deadly poison begins to eat into the surrounding flesh and the ulcer spreads rapidly, becoming more offensive and alarming until at last the sufferer finds he is afflicted with cancer. Cancerous ulcers often start from a boil, wart, mole or pimple, which has been bruised or roughly handled, showing that the taint is in the blood, perhaps inherited. Another cause for non-healing ulcers and sores is the remains of some constitutional disease or the effects of a long spell of sickness. S. S. S. goes down to the very root of the trouble and cures so thoroughly that there is never any sign of the trouble in after years. As soon as the system gets under the influence of S. S. S. the place begins to improve, the discharge gradually grows less, the inflammation leaves, the flesh resumes its healthy color, and soon the sore is well, because every vestige of the cause has been removed from the blood. Book on sores and ulcers and medical advice without charge.
