POTATOES & HAY

We have a large supply of strictly choice large potatoes in stock, which we offer at very low price.

We still have a large amount of hay - all grades - in our house which we offer at \$12.00 per ton. The hay market is very dull at the present time and we want to unload same.

We have to arrive a car load of Straw berry boxes, in about a week. Our price on them will be very low.

We are in the market for all the eggs that are offered and we pay highest market price, spot cash, for them.

CREAM SEPARATORS

"STOP!" and think before you buy a separator. There are many things to be considered in the purchase of a cream separator. You want the lightest running machine on the market. You want the machine that is the easiest to wash and keep clean, you also want the machine that will produce all the butter fat. And above all you want a durable machine so that you won't be continually paying for repairs.

Now the famous Empire Separator is the machine you want as it has all these advantages over every other machine on the market. Any company can make claims but let us show you the Separator that makes good

La Grande will celebrate in a manner which will please everybody.

Don't forget the date July 4th. La Grande invites you to help celebrate the great day.

That proposition to make a park of the lot now used for jail purpose is a good one. Let's do it now.

More men wanted in the best fields, that sounds good. Union county will certainly have a banner crop.

Decorate your home and your business house for July 4. Let your patriotism shine forth on that day.

King Haakon and Queen Maud of Norway are quite democratic. He doesn't "queen" Maud when speaking to her - wife: a good enough word for him.

Within three months methyl or wood alcohol will be tax free. After long deliberation the senate was finally forced by pressure of public opinion to pass the measure. Denatured alcohol will now become an active competitor of gas and gasoline. And it can be sold cheaper than gasoline is at present.

If anybody would make me the greatest king that ever lived, with palaces and gardens, and fine dinners, and wine and coaches, and beautiful clothes and hundreds of servants, on condition that I would not read books, I would not be a king—I would rather be a poor man in a garret with plenty of books, than a king who did not love reading.—Macaulay.

Great interest is shown in taking timber and under the timber and stone act and by the end of the year all that is worth taking will be in private ownership. The relative cost of dealing with syndicates and the government may be brought into a close and illuminating comparison.—Grant County News.

The St. Louis Post Dispatch has carefully worked out from the new arithmetical table of strawberry measure. It applies to other things:
One pint makes a quart.
Sixteen pints make a crate.
Top berries make a sale.
Nobody makes a kick.

GEO. W. POWELL,

Those foreign anarchists, or American anarchists, if there be such, must remember that in this land of comparative liberty there is no license for lawlessness and although we have free speech and a free press we draw the line at anarchy because the people of the United States believe in law and order. We allow everyone to speak his mind, if he does not incite a disturbance of the peace of the community. Our socialists, it is true, preach the overthrow of the present methods of government, but they aim to do so at least in their open declarations by the rule of the majority and under the guise of law. There is a vast difference between liberty and license and to abuse the right of free speech so that what is said would incite a breach of the peace is a crime and the perpetrator is liable to punishment according to the law of the several states.—Democrat

A LITTLE TALK ON ICE CREAM SODA

NOT BETTER THAN THE BEST BUT BETTER THAN THE REST

To maintain the reputation we have acquired for supplying the needs of our many patrons in every department, a reputation we point to with pardonable pride, we want, now, to advise you that we have opened our soda fountain with a new line of crushed fruits and fruit juice which excel any which we have ever had, and while we may occasionally find a party who has never tried one of our delicious ICE CREAM SODAS we find a hundred who have, and do, and always will, because they want the best and appreciate a fine article. We have some new flavors this year which are going to be of universal favor on account of their delicate flavors. Hoping you will kindly favor us with an early call, so we may show you. We are respectfully,
