FAVORITE COLORS

are all found in the list of Sherwin Wilhams paints, and their high quality insures that any shade will be permanent. They don't fade like many so-called paints. Neither do they lose their life and scale off, are they affected by sun or rain. They can be relied upon as being thoroughly durable in all respect. Now that the 4th of July is approaching it is a good time to celebrate by giving your house, fence, or outbuilding a new dress.

MAY REFUSE TO ARBITRATE

(Scripps News Association)
San Francisco June 22.—The executive Board of the United States Shipping Transportation companies met this morning and framed a reply to the Mayor's offer to arbitrate. The seamen's strike is believed to be a direct refusal to arbitrate the serious questions now confronting the seamen and ship owners. A scarcity of sailors continues and all schooners putting out to sea are heavily armed with men.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol
Dyspepsia Cure

digests what you eat, takes the strain off of the heart, contributes nourishment, strength and health to every organ of the body. Cures indigestion, dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.
MRS. LORING NICHOLS, Penn Yan, N. Y.
I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.

MRS. DAY, ASSISTANT.

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments: No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 5 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
