### MAYOR GIVES HIS REASON FOR VETO

Continued from page 6

limitations on legislatures and courts when dealing with the rights of the people, and especially as to punishment for crimes and misdemeanors.

We find in the Constitution these passages:—  
"Excessive bail shall not be required".  
"Excessive fines shall not be imposed".  
"Cruel and unusual punishment shall not be inflicted".  
"All penalties shall be proportionate to the offense".  
"Laws for the punishment of crime shall be founded on the principles of reformation and not of vindictive justice".  
In our jurisprudence it has come to be a truism "justice should be tempered with mercy." I ask you to compare this proposed legislation with the fundamental law of the State of Oregon.  
This bill imposes a fine of Three Hundred dollars and no less for the most trivial offense and it allows no discretion to Court no matter what the mitigating circumstances may be.

There is no doubt about the bill being unconstitutional if for no other reason than that it deprives the Court of a right that has never been denied before - the right and duty of exercising judicial discretion.  
Then there are the pains and penalties and the grotesque proposition of making the men least qualified the protectors of public morality.  
If the people want such a law as this it can be secured by an initiative vote as provided by an amendment to the Constitution adopted at the recent election.  
The duties imposed upon the Council by this act require it to be possessed of prophetic vision or omnipotent power so the members can decide in advance that the applicant for a license is a suitable person to run a saloon; that he will not run a business that will endanger the morals of the City; that he will perform the conditions of his bonds and that the Council believes he will not violate any law of the State of Oregon or any ordinance of the City. If the Council fulfills its duties strictly, it means that no license can be granted to any person.  
This ordinance, if enforced, will involve the city in expensive, useless and endless litigation for the reason that the liquor interests will not surrender until after every remedy known to the law has been exhausted.

It is time to punish a man after he commits the over act. Many men have fallen from the high estate of respectability, honor and integrity to criminals, so are we all prone to fall, and as any man may commit a crime, why not try us all in advance, put us under bonds for misdeeds that we may commit.  
Then again, unless laws are enacted in good faith and upon their merits, I feel justified in withholding my approval while acting in my official capacity as the Mayor of the City of La Grande.  
Respectfully submitted,  
J. B. STODDARD,  
Mayor.

## THE S.S.S. STANDARD TONIC

The ingredients of which S. S. S. is composed, and the method of combining and preparing them so that they gently and pleasantly build up and strengthen every part of the body, make it the ideal tonic for a disordered condition of the system. Every one feels the need of a tonic sometimes. The system seems to get "out of gear," the appetite becomes fickle, the energies are depressed, sleep is not restful or refreshing, and the entire body has a nervous, worn-out feeling. When the system is in this depleted, run-down condition it must be aided by a tonic, and S. S. S. is recognized everywhere as the standard. Being made entirely of roots, herbs and barks selected for their gentle action as well as their invigorating effect on the system, it will not disagreeably affect any of the delicate members or tissues as do most of the so-called tonics on the market which contain potash or some other harmful mineral ingredient. These derange the stomach and digestion, unfavorably affect the bowels or otherwise damage the health. S. S. S. tones up the stomach and digestion, improves the appetite, produces refreshing sleep, rids the body of that tired, run-down feeling, and supplies tone and vigor to the entire system. It re-establishes the healthy circulation of the blood, acts more promptly and gives better and more lasting results than any other tonic, and because of its vegetable purity is an absolutely safe medicine for young or old. S. S. S. acts admirably in cases of dyspepsia, indigestion and other stomach troubles, and after using it that uncomfortable feeling of fullness, dizziness or drowsiness, after eating, are no longer felt. Not only is S. S. S. the greatest of all tonics but possesses purifying and alterative properties, and if there is a taint in the blood it will promptly remove every trace and restore perfect health. In selecting your tonic for this year do not experiment but get S. S. S., the recognized standard.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

### Kodol Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures Indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.  
After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.
