This will be the biggest and most expensive display ever
exhibited in La Grande

GRAND BALL AT NIGHT FUN FOR EVERYBODY

GIANT CANDLE TO BURN

(Scripps News Association)
New York, June 26.—A \$50 candle, fifteen feet in height, weighing 182 pounds and guaranteed to burn continuously for eighteen months, has just been shipped from here to Tampa, Fla., where Mrs. Raffaella Bella Cloce will place it in a church and light it in honor of Saint Calogero, to whom in a prayer she vowed she would buy the largest candle ever made in America, if her husband be permitted to recover from a serious illness. Her prayer was answered.
The gigantic candle was rolled by hand and is eighteen inches in diameter at the base and twelve at the top. Its weight corresponds exactly with that of the man who was cured from his illness.

BAD ON THE NAVY BACHELORS
(Scripps News Association)
Brooklyn, June 26.—Bachelor naval officers who are on duty at the Navy Yard in this city and at some of the other stations, are seriously affected by the decision that the government will not allow any extra commutation to the servants they employ. It has been the practice to draw what is known as a commuted ration allowances, to be paid to servants employed in messes organized by the unmarried officers on duty at naval stations as well as on board ship. Hereafter officers' messes on shore will not be permitted to make use of this commuted ration money, which amounts to \$9 a month per man. The allowance will be continued in behalf of servants employed by officers' messes on board ship. The distinction is the result of a technical construction of law. There is no remedy short of changing the phraseology of the law, and it is too late in the session to accomplish this, even if such a change were possible.

FOR ANY KIND OF A BOY
Here are some rules which appear in a circular issued by one of the largest establishments in Chicago. They are full of stimulating suggestions to the young man who is determined to push along the highway of life and make success his journey.
Be courteous.
Be an example.
Eliminate errors.
Develop resources.
Master circumstances.
Anticipate requirements.
Recognize no impediments.
Work for the love of the work.
Know both sides of the question.
Act from reason rather than rule.
Be satisfied with nothing short of perfection.
Do some things better than they were ever done before.
Do the right thing, at the right time, in the right way.

WOOD AND COAL WANTED
Notice is hereby given at School District No. 1 of Union county, Oregon will receive up to 6 o'clock p. m. of June 29, 1906, sealed bids for furnishing said school District with 150 cords of four foot split yellow pine, and red fir wood, said wood to be cut while green and not later than Aug. 1, 1906, free from large knots and acceptable to said school board. All wood to be delivered at high school building and to be corded up closely where directed by the Board. 50 cords to be delivered by Aug. 1, and all on or before Sept. 5, 1906.
Also sealed bids for furnishing from 30 to 110 tons of Lump coal to be delivered in coal bins at school buildings.
Bids for coal and wood to be separate and may be for a less amount than the whole therefore. Bids to be left with school clerk. Board reserves the right to reject any and all bids.
A. C. WILLIAMS, School Clerk.

BID FOR BONDS

Notice is hereby given that sealed bids will be received by the City Recorder of the City of La Grande, up to August 1st 1906, for the purchase \$30,000 Water Bonds, of City of La Grande, said bonds to bear 5% interest, payable semi-annually, and to run for a period of 20 years with privilege of redemption at any time after 10 years, upon giving three months notice.

J. L. MARS.

VIOLIN

Miss Bertha Young will give lessons on the Violin.
Teachers certificate from Whitman College Conservatory of Music, Phone 1994.

UNION COUNTY

We do not believe that there is another county in the Inland Empire that can show fourteen different industries whose total annual revenue produces an average of \$193,000.00 cash.

The annual report of the State labor Commissioner, places Union Count third in the state, in the employment of labor

It requires 194 solid trains of fourty cars each to carr the produce of our count to the market, more than a train ever other da throughout the ear.

"An admirable climate." The past winter only for a few hours did the mercury reach zero. No excessive heat in the summer and our cool refreshing nights cannot be appreciated by the residents of the east until they are permitted to enjoy them.

Our soil is rich and productive. Were we to mention yields they would not be believed. The only way to become acquainted with this "Garden of Eden" is to personl visit this land of diversity, as when you see the crops growing and harvested they speak for themselves.

Our forrests will require many many decades of the present activity before they begin to yield and we now have thirty or more saw mills which give employment the year round in the mills and logging camps

The only sugar beet factory in the state is located at La Grande, the County Seat of Union County with a population of 5,000, progressive wide awake people who extend the glad hand to all. This is the commercial, educational and social center of the county.

La Grande is known as the railroad town of the O. R. & N. Co. whose annual payroll at this place exceeds \$300,000.00. From here the branch road is now pushing through the northern part of this county, on into the Wallawa County, starts a freight division, machine shops, round houses, and one of the largest railroad yards on the system, and train dispatchers office. The public schools of La Grande are second to none in cities of this size in this state. We now have three buildings and a fourth, an eight room brick building in course of construction, giving employment to twenty-two teachers. The principal office of the Grande Ronde Electric Co. is located in this city. This Company furnishes power and light for the city of La Grande, Island City, Cove, Union, and the Hot Lake Sanitorium.
