THE COMFORT

Of the ladies is well taken care of by
us. We have succeeded in our efforts to
make our restaurant the best place for the
ladies to have their meals, and have
tastefully arranged the different things to
add attractiveness to the place, and
make the surroundings pleasant.

OUR RESTAURANT

Provides meals that are beautiful and
refreshing. The excellence of our cookery
has been attested by the favorable com-
ments of the many ladies that patronize
us. If you would stop at our restaurant
your nostrils would dilate at the pleasant
odors our cookery sends forth. It would
tickle your palate and after the meal you'd
smack your lips and say, "That meal was
very tasty."
