NO SHAM BATTLES AT ENCAMPMENT

(Scrapple News Association)

Washington, D. C. June 27—A general order will be issued from the War Department in a few days, giving instructions in regard to the exercises of the mobilization of troops in the summer at Mount Gretna and the other six camps of concentration. It has been decided to hold no sham battles and to indulge in nothing of a spectacular nature. The work of the troops, both regular and militia, will be confined to practical operations and exercises which tend to harden soldiers to out-of-door life and train them for the hardships and exposures of field work. There will be abundant marches and night bivouacs away from the regular camps. There may be at each of the camps a final review, which will be attended, as far as possible, by distinguished officers. It is possible that General Bell, chief of staff, will visit all of the camps some time in their existence, provided he can leave his work in Washington. This may not be possible for any length of time, since is assistant, Gen. T. H. Barry, will, a part of the time, be absent in Europe, where he goes with other officers, including General P. W. Duval, to witness the German army maneuvers. Arrangements have also been made for a representative of the General Staff at each of the camps for the purpose of technical observation of the work of the troops. The officers who have charge of the camps, such as General Grant, at Mount Gretna, where the New York militia will be sent, are enjoined to see to it that there is the least possible amount of a soldiers' show, and that everything be done to give the camp a serious and businesslike aspect.

S. S. S. THE STANDARD TONIC

The ingredients of which S. S. S. is composed, and the method of combining and preparing them so that they gently and pleasantly build up and strengthen every part of the body, make it the ideal tonic for a disordered condition of the system. Every one feels the need of a tonic sometimes. The system seems to get "out of gear," the appetite becomes fickle, the energies are depressed, sleep is not restful or refreshing, and the entire body has a nervous, worn-out feeling. When the system is in this depleted, run-down condition it must be aided by a tonic, and S. S. S. is recognized everywhere as the standard. Being made entirely of roots, herbs and barks selected for their gentle action as well as their invigorating effect on the system, it will not disagreeably affect any of the delicate members or tissues as do most of the so-called tonics on the market which contain potash or some other harmful mineral ingredient. These derange the stomach and digestion, unfavorably affect the bowels or otherwise damage the health. S. S. S. tones up the stomach and digestion, improves the appetite, produces refreshing sleep, rids the body of that tired, run-down feeling, and supplies tonic and vigor to the entire system. It re-establishes the healthy circulation of the blood, acts more promptly and gives better and more lasting results than any other tonic, and because of its vegetable purity is an absolutely safe medicine for young or old. S. S. S. acts admirably in cases of dyspepsia, indigestion and other stomach troubles, and after using it that uncomfortable feeling of fullness, dizziness or drowsiness, after eating, are no longer felt. Not only is S. S. S. the greatest of all tonics but possesses purifying and alterative properties, and if there is a taint in the blood it will promptly remove every trace and restore perfect health. In selecting your tonic for this year do not experiment but get S. S. S., the recognized standard.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol

Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 54 times as much as the 5c, 10c or 25c size.
