GRANGE ITEMS

The last regular meeting of the Blue
Mountain Grange No. 345, was to have
been Sisters day but owing to an over-
sight on the part of the master it was not
generally understood and consequently
not such a success as our sisters are cap-
able of making it, but after all they had
an excellent program and such a dinner
as only Grange Hall Sisters can prepare.

After dinner and while we were all too
full for utterance, they gave us such a
roasting that we all knew we had been
somewhere.

The high classed articles read, talks and
recitations were such as to inspire one
to better thoughts and actions and goes
far toward placing woman in her rightful
sphere among the nations of the earth.
With such helpers as these, the future
destiny of the Grange is surely bright.

As the next regular meeting day will
be on the 4th of July there will be no
meeting until the regular meeting
the third Saturday in July, which will be
young folk's day. A pleasant and profit-
able time is anticipated.

The Grange movement in this county is
gaining some.

I organized a very promising Grange in
Alice last Saturday with 32 charter
members. Following are the officers
elected: W. M. R. F. Case, W. O. Chas.
Playle, Steward M. Vanhousen, Lecturer
Mrs. Etha Wallinger, Asst. Steward F.
W. Kidwell, Chaplain B. F. Webb, Treas-
urer L. L. McKennon, Sec'y Mrs. Celia
Playle, Ceres Mrs. James Mass, Pomona
Mrs. F. W. Kidwell, Flora Miss Bertha
Moore, Lady Asst. Steward Mrs. M. Van-
housen, Gate Keeper W. R. Ledbetter.

WORK FOR BROOKLYN NAVY YARD

(Scripps News Association)
Brooklyn, N. Y. June 29—The situation
at the Brooklyn Navy Yard will be slight-
ly improved by the fact that, beginning
with Monday next the Bureau of Yards
and Docks will have a slightly increased
fund available for the employment of
certain yard workmen, watchmen, etc.,
who had to be laid off on account of the
exhaustion of the funds at the disposal of
the Bureau.

Much trouble and annoyance was in-
curred by reason of the discovery made
in the present fiscal year that there was
not enough to purchase fuel and maintain
a watch force and street cleaners at the
navy yard. The situation was not helped
in the least by the refusal of Congress
to appropriate any money by way of de-
ficiency. After next week it will be pos-
sible to take on most of the men who
furloughed at Brooklyn and care will be
taken to see that the annual appropri-
ation does not become so reduced as to em-
barrass the Department in its manag-
ement of the yard forces. At the same
time the strictest ceremony
will have to be practiced.

WAR AGAINST CONSUMPTION

(Scripps News Association)
Nashville, Tenn. June 29—An impor-
tant meeting has been arranged for this
evening at Watkins' Hall by the Com-
mittee on Organization and By-Laws of
the Anti-Consumption League, with a
view of stimulating the general interest
in the problem of making determined war
against consumption, which yearly de-
mands an enormous number of victims.
Dr. W. J. Morrison will be chairman of
the meeting and many prominent physi-
cians and others will deliver addresses,
all dealing with the subject of consump-
tion and the best means of exterminating
the scourge. It is confidently believed
that this movement will result in inesti-
mable good to this and other communit-
ies, for already some of the similar towns
of the state have begun to effect similar
organizations.

Death From Lockjaw

never follows an injury dressed with Buck-
len's Arnica Salve. Its antiseptic and
healing properties prevent blood poison-
ing. Chas. Oswald, merchant of Rens-
selaersville, N. Y., writes: "It cured
Seth Burch of this place of the ugliest
sore on his neck I ever saw." Cures
cuts, wounds, burns and sores. 25 cts.
