CITY FATHERS MEET

The city council met several hours last evening and transacted considerable business among which was the passing of an ordinance empowering a contract to be let with Glass & Prudhomme of Portland for providing the necessary blank books and filing cases to facilitate the adoption of the new system of keeping city records, the amount of the contract being \$319. Two ballots were taken with a view of electing a city attorney. Jos. F. Baker in each instance received four votes of the six councilmen present and W. B. Sargent two. Five votes being a majority, no election, and the matter was deferred until the next meeting.

The O. R. & N. Co., in a view of enlarging their shops and yards petitioned as follows, which was referred to the Street Committee.

Your petitioner respectfully shows, submits and petitions:

That it is the owner of Blocks 129, 130, 131, 132, 133 and 134 of Champ-lain's Addition to La Grande, with the exception of Lot 11 of said Block 129 and Lot 3 of said Block 134; that it purposes to enlarge its roundhouse, its machine shops and other buildings necessary to handling of its business in said city, which enlargement will necessitate the occupant of said Blocks and the intersecting streets.

Your petitioner, therefore prays that Ash Street, Birch Street and Chestnut Street, between Jackson Avenue and the present boundary of the station grounds of the petitioner, and Monroe Street between Fourth Street and North Depot Street, and Fourth Street between Palmer Street and said north line of the station grounds, and Harrison Street between Second and Third Streets, be decreed to be vacated and abandoned. Said streets are not now used by the public and there will be no inconvenience to any one except the owners of the two lots above excepted, which will be damaged by said proposed vacation and which damage your petitioner is willing to pay a reasonable amount.

Also, your petitioner prays for a franchise granting it the right and privilege to construct on a part of Palmer Street East of Third Street, a side-track, and also, to construct necessary side-tracks on Harrison Street from the East line of Second Street westerly on said Harrison Street between said East line of Second Street to the West line of First Street and your petitioner will ever pray.

Bids were opened as follows for the disposition and removal of the old city councilroom and jail. B. W. Grandy \$122.50, J. L. Mars \$189, Wm. Thompson \$180, John Wilson \$200. Referred to Ways and Means Committee.

Several bids were received for the installation of three steel cells in the Fire Department building. The committee was given until the next meeting to investigate minutely the character of the respective bids which range from \$400 to \$700.

An ordinance was passed granting the O. R. & N. Co., a franchise on Mariam street. This is to be used for a side track to the new saw mill to be built by the Palmer Lumber Co.

An ordinance was passed assigning the duties of the several council committees, which will be published in a few days.

The matter of taking up the ordinance

providing for \$1,000 saloon license, which was vetoed by the Mayor, was deferred until the next meeting.
Council adjourned until next Wednesday.
