RUSK IS DEPUTY IN WALLOWA

Prosecuting Attorney Ivanhoe has appointed as his deputy for Wallowa county John P. Rusk, of this city. Mr. Rusk assumed his duties on Monday.

From every standpoint this appointment is a deserved one. Mr. Rusk has been the Wallowa county associate of Col. F. S. Ivanhoe for a number of years and during the primary campaign he was an ardent worker for his associate. Thus personal relations and political gratitude were strong factors in the selection and, perhaps, the controlling ones. For Mr. Rusk never asked for the appointment, either directly or indirectly. It can be said also that nearly all the Republican attorneys of the county were supporters of Mr. Rusk.

John P. Rusk now has that opportunity, which in their time falls to most attorneys who master their profession, to successfully enforce the law as he finds it in the statutes, or to fail. We bespeak for him success; we believe he will succeed and the citizens are assured that at his back is always to be found a man the equal of whose ability is scarcely to be found in this district.—Joseph Herald.

PLENTY LEFT

At least three crops have been lost in Umatilla county this season, and yet 4,500,000 bushels of wheat in sight. One crop was "frozen" out, one was "killed" by dry weather, and the third has been "burned up" by the hot weather of the past week. However, it is thought the warehouses will be ample to hold the little that is left of 1906 crop.—Pendleton E. O.

S.S.S. FOR THE BLOOD

The purifying action and curative properties of this great remedy have made "S. S. S. For The Blood" a household saying, and thousands who are enjoying perfect health owe their recovery from blood or skin diseases to this universally used blood medicine. S. S. S. is made entirely from roots, herbs and barks which possess not only cleansing and healing ingredients, but building-up and strengthening properties to keep the blood in perfect order. No one can be well when the blood is impure; they lack the energy and strength that is natural with health, the complexion becomes pale and sallow, the vitality is weakened and they suffer from a general broken down condition. When the waste or refuse matter, which nature intends shall be thrown off, is left in the system because of a sluggish, torpid condition of the expelling members, it is absorbed into the blood, making this vital stream weak, sour and acid and its condition is manifested by boils, pimples, rashes, blotches and other eruptions of the skin. S. S. S. goes into the circulation and removes every particle of blood taint or poison of every character, makes the blood fresh and strong and gives energy to the entire body. When the blood has been cleansed by S. S. S. all skin diseases and eruptions pass away and the smooth, clear skin, glowing with health, shows that the body is being nourished by rich, pure blood. Rheumatism, Carrh, Sores and Ulcers, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders, and for their cure nothing equals S. S. S. It does not injuriously affect the most delicate parts of the body and can be taken with perfect safety by old or young. Book on the blood and any medical advice desired without charge.
