The funeral of the late Jacob Newman who died Friday July 6, 1906 in this city at the family home, was held in the Central Church of Christ Sunday afternoon at two o'clock. Rev. O. H. King officiating. The interment took place at the I. O. O. F. Cemetery. The funeral services were short and simple but impressive.

In the death of Jacob Newman, Union County has lost another of its honored and respected pioneers, one who had ever worked for the advancement, and best interest of the community in which he lived, and whose assistance will be missed by those who knew him best.

The deceased came to this country in 1862, and has been a constant resident since. For a number of years he was engaged in farming and stock raising, but for the past few years he has been a resident of this city, having during the active years of his life succeeded in building up an estate sufficient to enable him to spend his remaining days in peace and ease.

He was born in Franklin County, Pennsylvania in 1826, therefore was 80 years of age at the time of his death. Besides his widow he leaves several sons and daughters to mourn his loss. He was honored and respected by all who knew him, and Mrs. Newman has the heartfelt sympathy of a large circle of friends.
