**PRESIDENT DOWNING IS HERE**

W. H. Downing, president of the Oregon State Board of Agriculture, is in the city today with a view of interesting the citizens of this county to prepare an exhibit for the state fair which meets at Salem from September 10 to the 15. The state offers eight prizes this year for the best county exhibits on display, \$500 for the 1st; \$250 2d; \$200 3rd; \$150 for the 4th and \$100 each for the next four. Union county has been fortunate in recent years with her exhibits to the state fair from the fact the exhibits arrived too late to secure proper attention. This will be a good year to make an exhibit. We have prize stuff in every industry and by commencing in time there is no reason

why we should not pull down the first prize. There is not a county in the state that can provide as extensive a diversified exhibit as Union county. But to do so we must begin right now with the preparation.

**IMPOUNDING NOTICE**

Notice is hereby given to the owners of cattle, horses, and fowls that the ordinance prohibiting certain animals and fowls running at large within the city, from and after this date will be strictly enforced.

No animal is permitted to be on the streets or alleys without being securely fastened with a rope or chain or directly under the control of a person capable of handling said animal while being driven through the streets.

The owner or party in charge of an animal is liable to be fined \$25 or 10 days imprisonment. The animal may be impounded and the owner is liable for all damage sustained by any person.

J. B. STODDARD, Mayor.

La Salle Street Station—Used by Rock Island-Frisco Lines.

**Have YOU ever been in CHICAGO?**

If so, you know the extremely convenient location of La Salle Street Station.

If you are a stranger in the city, however, it is of great importance that you learn about this magnificent and comparatively new terminal, used jointly by Rock Island-Frisco Lines.

It is nearest the heart of the city—closely adjoining the business section—within easy walking distance of State Street shopping center and all the principal hotels—the only depot on the elevated loop.

The Rock Island right-of-way into Chicago is elevated for more than eight miles out through the suburbs. Prompt arrival at Chicago terminal is thus assured. Englewood Union Station, seven miles out, affords ready access to southern suburbs—all through trains stop there.
