### ORDINANCE NO. 331

Series 1906.

An ordinance granting a franchise and right of way to the Oregon Railway and Navigation Company upon and along Marion Street in the City of La Grande, Oregon.

The City of La Grande does ordain as follows:—

SECTION 1. It is hereby ordained and ordered that the Oregon Railway and Navigation Company, a private corporation, organized, existing and doing business under and by virtue of the laws of the State of Oregon, and its successors in interests shall have a perpetual franchise and right of way upon and along Marion Street in the City of La Grande Oregon, from the intersection of said Street with the right of way of said Railroad Company in said City, extending North the entire length of said Street as now laid out, platted and dedicated to public use.

SECTION 2. The franchise and right of way shall be for the purpose of constructing and operating along and upon said street or any portion thereof, a roadbed and railway of standard gauge in width, and that over and upon said road-bed and road-way all kinds and classes of freight and passengers may be transported and keeping said railway in proper repair.

SECTION 3. That said Railroad Company shall not so occupy or use said street either in the construction or operation of said roadbed and railway as to prevent the same being safely and conveniently used for public travel and use, and that said Railroad Company shall provide and construct at the crossing of each street along the line of said franchise and right of way, a suitable, convenient and safe crossing for public travel across said railroad track upon said cross street.

SECTION 4. That the said Oregon railway and Navigation Company shall lay said track upon said street in accordance with the present grade, and shall from a distance of one foot on each side of the end of the ties and between the rails of the track lay said track in such a manner by ballasting on planking or otherwise that the same shall conform to any improvement or grade established now or hereafter by said City; that said track shall at all times be in a good and passable condition for teams.

SECTION 5. This ordinance shall be in full force and effect from and after the 1st day of August, 1906, and shall be published in one issue of the Evening Observer.

### Deadly serpent bites

are as common in India as are stomach and liver disorders with us. For the latter however there is a sure remedy: Electric Bitters; the great restoration medicine, of which S. A. Brown, of Bennettsville, S. C., says: "They restored my wife to perfect health, after years of suffering with dyspepsia and a chronically torpid liver." Electric Bitters cure chills, and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on guarantee by the Newlin Drug Co., price 50 cts.

## STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—waken, and become diseased.

## Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

## S. S. S. PURELY VEGETABLE

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to removing the cause of any disease is the condition in which the system is left after a course of medical treatment. Medicines containing mercury, potash or other strong mineral ingredients often do permanent injury by eating out the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the bowels and so damaging the system that even if the original cause of the disease has been removed, it is left in such a deranged and weakened condition that the health is permanently impaired. S. S. S. enjoys the distinction of being the only blood medicine on the market that does not contain a mineral property in some form. Being made entirely of roots, herbs and barks it is absolutely harmless to any part of the system, and while curing disease adds strength and health to every part of the body. S. S. S. removes all poisons, freshens and purifies the blood and gives better and more lasting results than any other blood medicine. S. S. S. is the very best treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all troubles due to an impure or poisoned blood supply. Besides being the King of blood purifiers S. S. S. is the best and most invigorating of all tonics.
