REAL ESTATE DEAL IN COVE

The Eastern Oregon Colonizing Company has completed a deal whereby it secures the ownership of a tract of land comprising one hundred and forty acres adjoining Cove on the north. This Company had an option on this tract for several months, and after learning of its real value, the deal was quickly closed.

The tract will be divided into sections of from five to ten acres each, and placed on sale at prices ranging from \$150 to \$200 per acre.

SHOT THROUGH THE HAND

Francis Earls last evening sustained an injury while loading a pistol. He had just inserted the shells and while closing the gun, one of the shells was discharged the bullet passing through the palm of his hand. He immediately came to this city and had the wound dressed, and if blood poisoning can be averted the accident is not considered serious. Mr. Earls is fortunate that the accident was not of a more serious character.

CLEAN UP NOTICE

All persons are notified that the ordinances pertaining to nuisances and the cleaning up of garbage, filth, decaying substances, privies, and cess pools, will after this date be strictly enforced. After 24 hours notice the city officers have the right to clean up the streets and alleys abutting on any and all property and a lien for the expense may be taken against the property. The same law applies to the cleaning of filth and rubbish from lots and blocks.

The penalty runs as high as \$50 fine or 25 days imprisonment. Under the ordinance no manure or garbage is allowed to be placed in the alleys from March 1st to November 1st each year.

All persons are are warned not to throw any paper, vegetable or fruit peelings or other refuse on the sidewalks gutters or streets.

It is the intention to have a regular scavenger officer appointed who will in the first instance contract with the owners for cleaning up or notify them so they may clean up themselves. If no action is taken by the party who is notified to clean up, the city will clean up and file a lien on the property and a warrant will be placed in the hands of the Marshal for the arrest of persons who refuse or neglect to clean up, on conviction before the Recorder, the fine will be from \$5 to \$50.

It is not a desirable task for the administration to invoke the criminal law against our good citizens but that is what is required of us when other remedies fail.

J. B. STODDARD,
Mayor.

SOCIETY

Mrs. M. L. Kirk has issued invitations for an afternoon this coming Saturday.

A most enjoyable evening was spent by those present last evening with the ladies of the Missionary Society of the Presbyterian church at the home of Judge and Mrs. Robert Eakin. The rooms were decorated in flowers and vines and the porch was hung in flowers and in one corner the punch table was placed. Mrs. M. Kirk presided and the yard was lighted with a large arc light and under a tree the punch for the children was served. During the evening the Misses Young, Davis, Malory and Masee and Mr. Eakin delighted the guests with music. Mr. Rinehart and Mr. Oliver spoke of the Indians and history of them in this valley. As the social was an Age Social to raise money for the Umatilla Indians and a nice sum was taken in as the combined ages of the guests was over two thousand years.
