Our First Car Of

WATER MELONS

FOR THE FOURTH

POTATOES, ONIONS, CABBAGE, and HAY

Our second car of new potatoes is in. These are extra fancy and a little better matured than the first car. We were able to buy these at a lower price and we have reduced the price accordingly. We have another car of fancy new dry onions, and have regular shipments of cabbage. We still have a choice lot of hay which we offer at \$12.00 per ton. Also strawberry boxes which we will sell very cheap. Last, but not least, we offer fancy sweet ripe Water Melons which will be here in a few days. Just the thing for these warm days. We will buy all the eggs you can furnish us at 22 1/2c per doz. cash, and we will buy all your other farm produce.

Even the Oregon land fraud cases will be locally sidetracked for the time being

There is no excuse for any idle men in this part of the state. The opportunity is on all sides for any and all kinds of labor.

It is about time for some fool to kill his friend, mistaking him for a deer. It is remarkable how seldom this class of hunters ever miss.

Soon betime for forest fires. Campers should remember that they are punishable for carelessness as a result of going off and leaving camp fires.

Quite a number of those Observer souvenirs of the San Francisco fire are going out each day, both to new subscribers and to our regular patrons who pay one month in advance.

Write your eastern friends about La Grande and Union county. There is little danger of your overdrawing the picture just now. The city's future was never brighter.

The hand writing on the wall indicates that Tom Taggart, chairman of the National Democratic Committee, must resign. The demand originated with the exposure of a large gambling palace, conducted in his hotel. "The world do move."

What is the matter with Union county having a fruit fair this fall. La Grande would be an ideal place for the successful holding of such an enterprise and the fruit this year will be of such a high grade that a display would not only attract the attention of those who would visit us at this time, but really would be a revelation to our own people. Kind reader do you realize really how little we know of our own wonderful county? We would become better boosters if we took the time to more fully come in contact with our various industries. A good cognate engine booster is a valuable asset in any community. We have the natural basis for the proper development of hundreds of boosters. In fact it ought to be a felony for any citizen in Grande Ronde valley, who could be classed as otherwise. First make a thorough study of our valley, what it is doing and what it is capable of doing, then get busy and get to work.

TAKES BEST IN BOTH

If the Eugene papers could make that town progress it would go at a swift gait.—Salem Journal.

Eugene is growing about right, thank you, and getting better every day. It is as much the spirit of the town that makes its press progressive as it is the spirit of the press that makes the town progressive, and there you are, it takes the best in both to accomplish desired results.—Eugene Register.

It is too bad that the pistol, that Thaw used on his fellow companion in crime did not work at both ends at the same time. It would have saved the papers of this country thousands of dollars and when they have paid for all of this rot, they place before their readers very little of a news nature.

STRONG Again

Is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer— weaken, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Digests What You Eat

Dollar bottle holds 3 1/2 times as much as the trial, or 50 cent size. Prepared at the Laboratory of E. O. DeWitt & Co., Chicago, U.S.A.

A LITTLE TALK ON ICE CREAM SODA

NOT BETTER THAN THE BEST BUT BETTER THAN THE REST

To maintain the reputation we have acquired for supplying the needs of our many patrons in every department, a reputation we point to with pardonable pride, we want, now, to advise you that we have opened our soda fountain with a new line of crushed fruits and fruit juice which excel any which we have ever had, and while we may occasionally find a party who has never tried one of our delicious ICE CREAM SODAS we find a hundred who have, and do, and always will, because they want the best and appreciate a fine article. We have some new flavors this year which are going to be of universal favor on account of their delicate flavors. Hoping you will kindly favor us with an early call, so we may show you. We are respectfully,
