

NATURE'S KINDEST GIFT

to us humans is perhaps a beautiful--therefore perfect for the purpose--set of teeth. But sometimes--through accident, disease or baneful medicine--sometimes, alas! because of neglect--our teeth decay, fall out or have to be pulled out. Is there no "balm in Gilead?" Are you tooth distressed? We will examine your teeth without charge, tell you what the matter without charge, and charge fairly for whatever needs to be done.
