Following The Flag

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now in New Hampshire we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at Newlin Drug Co. Price 50 cts. and \$1.00. Trial bottle free."

PENNSYLVANIA MILITIA IN CAMP

(Scripps News Association)
Gettysburg, Pa., July 21.—The division encampment of the National Guard of Pennsylvania officially opened this morning, although the advance guard came here several days ago to erect tents and prepare everything for the sheltering and maintenance of the troops and for the organization of the various duties connected with the provost, commissary and other departments. Part of the troops arrived yesterday evening and nearly all the rest during this morning. By afternoon all the troops included in the division encampment will be in full running order. The encampment is under the command of General John W. Schall. The troops troops will remain in camp until July 29, when they will return to their respective homes, except those troops that will be selected to take part in the regular army encampment at Mount Gretna, where will be assembled troops from New York, New Hampshire, Michigan, Illinois, Ohio, Delaware and Virginia, with General Frederick D. Grant in command.

A gold medal will be presented at the division encampment here to the oldest member of the Pennsylvania National Guard in continuous service. This medal may be awarded to enlisted men, commissioned on non-commissioned officers. The claim of each candidate must be supported by the records in the adjutant general's office.

Sea Girt, N. J., July 21.—The Fifth Regiment of the New Jersey Militia went into camp here today for one week.

Lumbrook, Del., July 21.—The First Delaware Infantry, National Guard of Delaware, went into camp on the Morrow Farm, a short distance from here, today. The site is considered far superior to that of any previous encampment and offers special advantages for field work and target practice.

REDUCED RATES ON GRAIN

Local agents along the line of the O. R. & N. have been advised by the general freight agent of the company, that, on shipments of grain and flour, including wheat converted into flour at Portland by sailing vessels to European ports, the rates will be 30 cents per ton, of 2240 pounds, less than the regular tariff rates.

While this reduction is, doubtless, the result of the recent readjustment of rates in the state of Washington, it will prove to be a most important feature in stimulating the export trade throughout the Pacific Northwest, one that could be surpassed only by one of a very similar nature, with an amendment of about a ten fold increase on the amount of reduction stipulated.—Haines Record.

WALKS THIRTY MILES A DAY

San Francisco, July 20.—Nicholas George, a Greek and a pedestrian 24 years of age, has arrived here from Australia enroute to Budapest on a walk around the world.

He must on this pedestrian trip, walk 30,000 miles in three years and three months, and at the end of that time get a purse of \$20,000 from the international Tourist club of Budapest.

He commenced his trip at Cairo, Egypt, November 17, 1904.

According to his story he walks 30 miles a day and that he has accomplished the different stages is vouched in a diary by "All sorts and conditions of men." Among them were the Duke of Connaught, the emperor of Abyssinia, and General Khartoum.

NEW BRIDGE ACCEPTED

The county judges of Union and Willa counties met at the Willa bridge last Friday and inspected the bridge that has just been constructed across Willa river. The officers gave the structure a thorough inspection and declare it to be a first class bridge in every respect. The structure is probably one of the best in Eastern Oregon and was built by the Seattle Construction Co.—Egan Recorder.
