CITY ATTORNEY NOT ELECTED

Although W. B. Sargent was duly voted on and declared elected by Mayor Stoddard at the last meeting of the Council he is not yet the official attorney for the city of La Grande. At the last meeting the Council took up the deferred question of electing a city attorney. It voted by ballot and gave three votes to Sargent and two to Bacon. As there were only five councilmen present this gave Sargent the majority. Immediately following the announcement of the election the Mayor was called on to rule the question whether or not he was legally elected. Due to the fact that there was not a copy of the charter within the hands of the Mayor the ruling was done from memory and as the election had been held over from a previous meeting a d. Sargent having secured a majority of votes the Mayor considered him elected.

However since then a stray copy of the city charter has come into the Mayor's possession and he learned that the election was illegal. The charter says that the election of a city attorney must be held over from one regular meeting and at the next meeting if a regular one a majority of a quorum can elect him. If the next meeting is a special one it takes a majority of the council.

No last Wednesday's meeting was an adjourned meeting and it necessitated five votes to elect Sargent.

The question will be taken up at the next regular meeting which is August first and at that time a majority of the quorum can elect him.

MORE NERVE THAN SENSE

For audacity and daring, the robbery at the depot recently was far surpassed yesterday afternoon when an unknown man went into the Blue Front Saloon and walking up to a man sitting in a chair and partially drunk, thrust a hand into his pocket and removed a wallet containing a few dollars. The bartender and another man saw the performance and made quick work of grabbing the man with a perverted idea of the ways of pick-pocket, but alas he made as quick work of getting away again.

Marshall Rayburn was notified and within the hour the man was in the grip of the handclasp of the law.
