PROMINENT PREACHERS AT CHAUTAUQA

(Scrapps News Association)
Chautauqa, New York July 24—The Chautauqa Assembly has opened here for the season with the most flattering promise of success. The program is unusually interesting and attractive and includes lectures and sermons by a number of the most prominent clergymen of the country. Dr. Newell Dwight Hillis, formerly of Chicago and now of Brooklyn who opened his course of sermons and lectures on last Sunday, is on the program for five afternoon lectures and will remain until next Sunday inclusive. In the following week Dr. W. J. Dawson of London whose lectures have aroused a great deal of interest in the East and Middle West will succeed Dr. Hillis and he in turn will be succeeded by Dr. J. Wilbur Chapman the noted evangelist. During the same week President Frank W. Gunsaulus of Armour Institute at Chicago will deliver a series of lectures and he will be followed by Bishop John H. Vincent Chancellor of Chautauqa.

BOY WISDOM

Bad habits grow without cultivation. A good purpose leads to a good position in life.

Live each hour as though there were only thirty minutes in it.

The word "can't" sounds all right when it refers to telling a lie.

The fellow who does nothing always gets tired the quickest.

The cock crows early in the morning because he goes to roost early.

Every boy should post himself—but not against a street corner.

Practice makes perfect, except the practice of sin, which makes im-perfect.

A boy is never too young to begin to think of what he will do when he is a man.

The telling of a lie is all that is necessary to make you a liar. Likewise the stealing of one apple will make you a thief.

CARDINAL GIBBON'S BIRTHDAY

(Scrapps News Association)
Southampton, L. I., July 24.—Cardinal Gibbons, who, as usual, is spending the summer here, is quietly celebrating his seventy-second birthday. In accordance with his wish there was so formal celebration. However, congratulations poured in by mail and telegraph from all parts of the globe. The summer colonists, with whom the Cardinal is very popular, and many friends of the Cardinal from other cities called during the day and for every one the venerable jubilar had a friendly word.

Only 82 years old

"I am only 82 years old and don't expect even when I get to be real old to feel that way as long as I can get Electric Bitters," says Mrs. E. H. Brunson, of Dublin, Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by Newlin Drug Co. Price 50c.

Do You Want to Know What You Swallow?

There is a growing sentiment in this country in favor of MEDICINES OF KNOWN COMPOSITION. It is but natural that one should have some interest in the composition of that which he or she is expected to swallow, whether it be food, drink or medicine.

Recognizing this growing disposition on the part of the public, and satisfied that the noblest publicity can only add to the well-earned reputation of his medicines, Dr. R. V. Pierce of Buffalo, N. Y., has "taken time by the forelock," as it were, and is publishing broadcast a list of all the ingredients entering into his leading medicines, the "Golden Medical Discovery," the popular liver invigorator, stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

This bold and outspoken movement on the part of Dr. Pierce, has, by showing exactly what his well-known medicines are composed of, completely disarmed all harping critics who have heretofore unjustly attacked them. A little pamphlet has been compiled, from the standard medical authorities of all the several schools of practice, showing the strongest endorsements by leading medical writers of the several ingredients which enter into Dr. Pierce's medicines. A copy of this little book is mailed free to any one desiring to learn more concerning the valuable, active, medicinal plants which enter into the composition of Dr. Pierce's medicines. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets are tiny, sugar-coated anti-bilious granules. They regulate and invigorate stomach, liver and bowels. Do not bog the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor.

\$50,000 GIVEN AWAY. In copies of the People's Common Sense Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at \$1.50 per copy. Last year we gave away 20,000 worth of these invaluable books. This year we shall give away 50,000 worth of them. Will you share in this bounty? It is sent only to one-cut stamps to cover cost of mailing and for book in stiff paper covers, of 50 cents each for club orders. Address Dr. R. V. Pierce, Buffalo, N. Y.
