Our Bryan is over the ocean.  
 Our Bryan is over the sea.  
 Our Bryan is hitting the papers  
 With Western agility.

#### Refrain.

Bring back, bring back,  
 Bring back our Bryan to us—to us;  
 Bring back, bring back,  
 Oh-h-h, bring back our Bryan to us.

Our Bryan is mixing with money.  
 Our Bryan is solid with kings;  
 Our Bryan is jolly with tyrants  
 And smiling at sceptres and things.  
 (Refrain)

Our Bryan, we hear, is silk hatted.  
 Our Bryan is frequenting the haunts  
 Of Pink Teas, and next will be using  
 Such language as "cahn't" and "shan't."

#### SOCIETY

##### A MERRY-GO-ROUND BIRTHDAY

Mrs. James Ireland yesterday afternoon gave a unique birthday party in honor of her daughter Mariam's 5th anniversary. The home was beautifully decorated with red and white sweet peas, and after the little folks had amused themselves immensely, Mrs. Ireland assisted by Mrs. C. S. Dunn, served them with ice cream, cake and lemonade. As a climax to the already pleasant affair, seventeen little hearts were gladdened by the announcement that all were to have a ride on the merry-go-round. With more haste than dignity they raced down town and made the best of their opportunities.

Those present were: Lillian and Gertrude Volp, Viola Benham, Ruth and Madeline Jones, Laura Dunn, Alice Hill, Olive Massee, Clea Shell, Edna Burke, Pearl Dean, Winifred Hough, Mattie Hampson, Pluma Holman, Mattie Schofield, Mariam and Catherine Ireland.

##### WHEAT CROP DESTROYED

C. B. Simmons who returned this morning from the valleys says that the wheat crop here has been practically ruined. While there he took a thirty mile drive into the surrounding country and in his day's traveling was informed that the crop would be about one third of what was produced two weeks ago. The hot weather has killed it to such an extent that in many places the large fields will be scarcely worth harvesting. He says that the farmers are sadly disappointed as until recently the outlook had been of the best.

#### Wrenched His Knee

Walter M. Pierce, president of the Hot Lake Sanitarium Co., is making a personal trial of the waters in the treatment of a severely strained knee. Last Monday night, while riding on his farm, the heel of his shoe caught in the reins and the consequent fall resulted in badly wrenching his left knee. Mr. Pierce had met with an accident to this knee three years ago, from which, however, he had long since recovered. The unpleasant prospect he now faces includes ten days in bed and then several weeks on crutches. About \$100,000 is now being spent on building extensions and other improvements at the Sanitarium. Work on the necessary foundations have already been begun.
