RACING FOR KING'S YACHT CUP

(Scripps News Association)
New York, August 2.—Unusual interest attaches to the annual cruise of the New York Yacht Club, which will start from Glen Cove tomorrow, because it will comprise two important races, the Astor Cup race on August 7, and the race for the King's Cup, donated by King Edward, on the following day. Both these races will be sailed off Newport.

The squadron, which assembled at the place of rendezvous, off Glen Cove, today, is unusually large and includes some of the smartest and swiftest yachts in this part of the country. The program for today includes only the usual preliminaries for the cruise, and in the evening a reception on the Commodore's flagship. Tomorrow the squadron will sail for Morris Cove, on Saturday from Morris Cove to New London. The squadron will spend Sunday at New London and on Monday will continue its run to Newport. On Tuesday the Astor Cup races will be sailed off Newport and on the following day the King's Cup race. The smaller boats will have a race in Narragansett Bay. In the evening of that day there will be a grand illumination. On Thursday the squadron will run to Vineyard Haven, where, in the following day the races for the Owl and Gamcock colors will be sailed. On Saturday the squadron will return to Newport, where it will be disbanded. If the conditions are favorable, some minor special events may be added to the program of the cruise.

Twenty year battle

"I was a loser in a twenty year battle with chronic piles and malignant sores, until I tried Bucklen's Arnica Salve; which turned the tide, by curing both, till not a trace remains," writes A. M. Bruce, of Farmville, Va. Best for old Ulcers, Cuts, Burns and Wounds. 25c at Newlin Drug Co.

The Best Guaranty of Merit Is Open Publicity.

Every bottle of Dr. Pierce's world-famed medicines leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This fact alone places Dr. Pierce's Family Medicines in a class all by themselves. They cannot be classed with patent or secret medicines, because they are neither. That is why so many unprejudiced physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities.

The further fact that neither Dr. Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorator, heart regulator and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them to a place all by themselves. Many years ago, Dr. Pierce discovered that chemically pure glycerine, of proper strength, is a better solvent and preservative of the medicinal principles residing in our indigenous, or native, medicinal plants than is alcohol; and, furthermore, that it possesses valuable medicinal properties of its own, being demulcent, nutritive, antiseptic, and a most efficient antiferment.

Neither of the above medicines contains alcohol, or any harmful, habit-forming drug, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and potent to cure. Not only do physicians prescribe the above, non-secret medicines largely, but the most intelligent people employ them—people who would not think of using the ordinary patent or secret medicines. Every ingredient entering into the composition of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for like purposes has any such professional endorsement. Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative and two a mild cathartic. Druggists sell them, and nothing is "just as good." Easy to take as candy.

GROGHAN'S VICTORY IS CELEBRATED

(Scripps News Association)
Fremont, O., August 2.—The ninety-third anniversary of Gen. Groghan's victory will be celebrated this afternoon in an elaborate manner on the site of the old Fort Stevenson. Governor Harris had been invited to attend the celebration, but was compelled to decline the invitation, but Adjutant General Hughes and a number of other state officials have arrived here and will be present at the exercises. The Sixth regiment Ohio National Guard, located in this neighborhood, will lend a military background to the celebration.

The battle the anniversary of which is celebrated today was one of the decisive battles of the war of 1812, preceding by about thirty days Perry's victory on Lake Erie, in 1813, in which the British combined their forces with the Indians. After the war General Groghan went south and died in New Orleans from cholera. Some time ago, through the efforts of Col. Hayes and the Daughters of the American Revolution the remains were removed to the site of Fort Stevenson, which he defended and were buried on the site of the fort. One of the features of this afternoon's celebration will be the re-burial of Gen. Groghan's remains with military honors.
