TAKEN TO HOME FOR CHILDREN

J. Teuscher, traveling agent for the Boys' and Girls' Aid Society of Oregon was in the city yesterday and while here found five children who from now on will be benefited by the advantages of that institution which has its home in Portland.

Mr. Teuscher represents a non-sectarian association and when he secured permission from County Judge Henry to separate the little folks from their mothers, he intended to take them to a place where they will be forced to strict discipline, but will be tutored and schooled in the public schools of Portland until the Home finds suitable private homes for them.

Yesterday morning Mr. Teuscher called the county court's attention to five children and after a careful investigation into the home surroundings of the children in question, the court gave its consent. With the assistance of Marshall Rayburn the children were picked up and this morning they left for their future homes.

The mothers of the girls and boys were at the depot this morning and with heart-rending sobs and tears parted with their loved ones.

Four of the five are children of Mrs. Swager of Old Town. The oldest, Coin, is eleven, Rivia is six, Hill is four and Inis is three.

The reason for removing the family, is that the mother was found to be incompetent to properly care for them and educate them.

The five is a boy of eight called Dewey Potter, and was removed because his mother is unable to properly care for him and has no method of controlling him. He has been loafing on the streets considerable and it was thought best to place him where he could be properly educated and where a kind but firm hand will teach him the rudiments of discipline.

In no case were the parties of an immoral character, but the parents were incompetent to rear them.

If the rest of the management is as kind and considerate as the traveling agent, the little tots will fare well. The school has conducted this business for twenty-one years and is well versed in juvenile generalship. It is a charitable institution and depends on public donations almost entirely for support. The State makes it an allowance of four thousand a year.

RALPH POTERS IN POLICE COURT

(Scripps News Association)
Long Island City, L. I., Aug. 3.—The police court of this place was crowded this morning by many lawyers and other curious people who were anxious to witness the rare spectacle of the appearance before a police court of a railroad president. President Ralph Poters of the Long Island Railroad made his appearance in answer to a summons to appear before the court in connection with complaints that had been made concerning the smoke nuisance caused by the burning of soft coal in the company's locomotives. Mr. Poters made his appearance, accompanied by the attorneys of the company and the case was promptly adjourned at the request of the railroad company.

Twenty year battle

"I was a looser in a twenty year battle with chronic piles and malignant sores, until I tried Bucklen's Arnica Salve; which turned the tide, by curing both, till not a trace remains," writes A. M. Bruce, of Farmville, Va. Best for old Ulcers, Cuts, Burns and Wounds. 25c at Newlin Drug Co.

S.S.S. STANDARD TONIC

The ingredients of which S. S. S. is composed, and the method of combining and preparing them so that they gently and pleasantly build up and strengthen every part of the body, make it the ideal tonic for a disordered condition of the system. Every one feels the need of a tonic sometimes. The system seems to get "out of gear," the appetite becomes feeble, the energies are depressed, sleep is not restful or refreshing, and the entire body has a nervous, worn-out feeling. When the system is in this depleted, run-down condition it must be aided by a tonic, and S. S. S. is recognized everywhere as the standard. Being made entirely of roots, herbs and barks selected for their gentle action as well as their invigorating effect on the system, it will not disagreeably affect any of the delicate members or tissues; as do most of the so-called tonics on the market which contain potash or some other harmful mineral ingredient. These derange the stomach and digestion, unfavorably affect the bowels or otherwise damage the health. S. S. S. tones up the stomach and digestion, improves the appetite, produces refreshing sleep, rids the body of that tired, run-down feeling, and supplies tone and vigor to the entire system. It re-establishes the healthy circulation of the blood, acts more promptly and gives better and more lasting results than any other tonic, and because of its vegetable purity is an absolutely safe medicine for young or old. S. S. S. acts admirably in cases of dyspepsia, indigestion and other stomach troubles, and after using it that uncomfortable feeling of fullness, dizziness or drowsiness, after eating, are no longer felt. Not only is S. S. S. the greatest of all tonics but possesses purifying and alterative properties, and if there is a taint in the blood it will promptly remove every trace and restore perfect health. In selecting your tonic for this year do not experiment but get S. S. S., the recognized standard.

EUROPEAN SENSATIONS

The Great Adam Forepaugh and Sells Brothers Circus will exhibit here Wednesday August 8

This circus has always enjoyed the confidence of the public, because everything new, sensational and exclusive that circus invention produced the world over was always to be found in the enormous program offered. This year the enormous circus has been added to in the size of the tents, number of people employed, horses used, animals collected and in many others ways, until it looks as if the limit of human endeavor, had been achieved. The hippodrome tent is the largest ever made, and will comfortably accommodate twelve thousand people. The menagerie annex is almost as big and shelters more than one hundred cages, dens, and lairs of the rarest wild animals. This department of the big show is singularly impressive, because it exhibits not only more rarely seen, wild creatures, but many of these specimens are to be found nowhere else in captivity. A fierce bi-horned rhinoceros, the rarest and most expensive of all wild beasts, is in this collection, as are two great farlike eared elephants of African origin, a blood-exuding hippopotamus, three herds of elephants, full grown and symmetrical types, and a nursery of baby wild animals, like kitten tigers, cub lions, quaintly hopping kangaroos, floundering seals, light-eyed leopard, homely hyenas, and so on. All of the artists, or nearly so, in the big arena program are fresh faces to the circus patron of this country, and make their first appearance to win American laurels under the auspices of The Great Adam Forepaugh and Sells Brothers Management, 1,000 people are employed, one way and another, and one hundred acts, most of them new features, are in the huge program.

Reserved seat tickets and admission tickets will be sold at the downtown ticket office of Forepaugh-Sells Brothers show day.
