EUROPEAN SENSATIONS

The Great Adam Forepaugh and Sells Brothers Circus will exhibit here Wednesday August 8

This circus has always enjoyed the confidence of the public, because everything new, sensational and exclusive that circus invention produced the world over was always to be found in the enormous program offered. This year the enormous circus has been added to in the size of the tents, number of people employed horses used, animals collected and in many other ways, until it looks as if the limit of human endeavor, had been achieved. The hippodrome tent is the largest ever made, and will comfortably accommodate twelve thousand people. The menagerie annex is almost as big and shelters more than one hundred cages, dens, and lairs of the rarest wild animals. This department of the big shows is singularly impressive, because it exhibits not only more rarely seen, wild creatures, but many of these specimens are to be found nowhere else in captivity. A fierce bi-horned rhinoceros, the rarest and most expensive of all wild beasts, is in this collection, as are two great farlike eared elephants of African origin, a blood-exuding hippopotamus, three herds of elephants, full grown and symmetrical types, and a nursery of baby wild animals, like kitten tigers, cub lions, quaint hopping kangaroos, floundering seals, light-eyed leopard, homely hyenas, and so on. All of the artists, or nearly so, in the big arena program are fresh faces to the circus patron of this country, and make their first appearance to win American laurels under the auspices of The Great Adam Forepaugh and Sells Brothers, Management, 1,000 people are employed, one way and another, and one hundred acts, most of them new features, are in the huge program. Reserved seat tickets and admission tickets will be sold at the down town ticket office of Forepaugh-Sells Brothers show day.

A tragic finish

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Vancouver, B. C., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold, but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at Newlin Drug Co. 50c and \$1.00. Trial bottle free.

They Stand Alone.

Standing out in bold relief, all alone, and as a conspicuous example of open, frank and honest dealing with the sick and afflicted, are Dr. Pierce's Favorite Prescription for weak, overworked, debilitated, nervous, "run-down," pain-racked women, and Dr. Pierce's Golden Medical Discovery, the famous remedy for weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness, all catarrhal affections, whether of the stomach, bowels, kidneys, bladder, nasal passages, throat, bronchia, or other mucous passages, also as an effective remedy for all diseases arising from thin, watery or impure blood, as scrofulous and skin affections.

Each bottle of the above medicines bears upon its wrapper a badge of honesty in the full list of ingredients composing it—printed in plain English. This frank and open publicity places these medicines in a class all by themselves, and is the best guaranty of their merits. They cannot be classed as patent nor secret medicines for they are neither—being of known composition. Dr. Pierce feels that he can afford to take the afflicted into his full confidence and lay all the ingredients of his medicines freely before them because these ingredients are such as are endorsed and most strongly praised by scores of the most eminent medical writers as cures for the diseases for which these medicines are recommended. Therefore, the afflicted do not have to rely alone upon Dr. Pierce's recommendation as to the curative value of his medicines for certain easily recognized diseases.

A glance at the printed formula on each bottle will show that no alcohol and no harmful or habit-forming drugs enter into Dr. Pierce's medicines, they being wholly compounded of glyceric extract of the roots of native, American forest plants. These are best and safest for the cure of most lingering, chronic diseases. Dr. R. V. Pierce can be consulted FREE, by addressing him at Buffalo, N. Y., and all communications are regarded as sacredly confidential.

It is as easy to be well as ill—and much more comfortable. Constipation is the cause of many forms of illness. Dr. Pierce's Pleasant Pellets cure constipation. They are tiny, sugar-coated granules. One little "Pellet" is a gentle laxative, two a mild cathartic. All dealers in Medicines sell them.

UNION'S NEW BANK

Union, Aug. 6—Arrangements are going forward as fast as possible looking toward the construction of the building for the Union National bank. The plans have been drawn and the projectors of this enterprise expect to let a contract for the work soon.

E. T. Kaster, the leading spirit behind the scheme, says no time will be lost in pushing work on the enterprise and to that end all possible diligence is being used.

The new building is to be of brick, one story, size probably about 25x60, corner entrance, plate glass front, modern furniture and fixtures.

"I was a loser in a twenty year battle with chronic piles and malignant sores, until I tried Bucklen's Arnica Salve; which turned the tide, by curing both, till not a trace remains," writes A. M. Bruce, of Farmville, Va. Best for old Ulcers, Cuts, Burns and Wounds. 25c at Newlin Drug Co.
