TOMORROW WE ALL SEE THE CIRCUS

Tomorrow will be circus day, when all the poster promises that have decorated the bill boards, are to materialize.

The omnipresent clown will be there with a new make-up, but with the same delightfully reminiscent smirk. The wonderful trained animals performing feats, seemingly impossible; the daring equestrian; the hair-raising aerialist; the beautiful horses; the hundred and one pictured features will all make their appearance, and the long anticipated enjoyment of circus day be a reality.

The Forepaugh-Sells show is practically new this year. The present owners have brought all their combined resources to aid in perfecting an organization which it is hoped will win for itself the distinction of being the greatest circus exhibition in the world. Chief among the many features is the spectacle entitled "Fighting the Flames", a decided novelty representative of a great fire scene. The spectacle will occupy the oval of the large arena tent. A scene representing a block of skyscrapers in the busy section of a city. The streets are filled with groups of happy holiday making people, bands of music parading. The alarm of fire is heard. Flames are seen bursting from the windows of a large hotel. Then the rush of engines and all manner of modern fire fighting apparatus. There are one thousand and actors participating in this scene. The Lowande family of equestrians in a new and novel exhibition. The Walkowsky of Russian whirlwind dancers. Captain Webb's two groups of educated seals and sea lions. A unique exhibition of horse accomplishments, four distinguished equine prize winners appearing in one ring. The Runyon family, a troupe of English acrobats; eight thrilling hippodrome events; while the stages and circus rings are occupied by the different performers, just in way of good measure, and intermittent groups of clown, forty in all will circulate in the hippodrome oval, present pantomimic comedies and laugh provoking conceals.

MAHARA'S MINSTRELS

Traveling in their own \$50,000 palace car, carrying the latest creation of the famous scenic artists, Sosman and Landis of Chicago, in the way of scenery, entrancing costumes to aid the efforts of 25 of the foremost colored stars. Mahara Brothers ought to be able to furnish two and a half hours of music, mirth and melody, odds and ends and oddities that would be acceptable to the gloomiest individual living. Mahara's minstrels will appear in the opera house here August 13 night giving that street parade at noon.

Pharmacists throughout the world have devoted their lives to the perfecting of Hollister's Rocky Mountain Tea. It contains the choicest medical roots and herbs known to modern medicine. Tea or Tablets, 35 cents. NEWLIN DRUG COMPANY.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Twenty year battle
"I was a loser in a twenty year battle with chronic piles and malignant sores, until I tried Bucklen's Arnica Salve; which turned the tide, by curing both, till not a trace remains," writes A. M. Bruce, of Farmville, Va. Best for old Ulcers, Cuts, Burns and Wounds. 25c at Newlin Drug Co.
