MONSTER PURCHASE OF MINES

Los Angeles, Aug. 8—The rich properties in the camp of Searchlight Nev. are continuing to fall into strong hands. Among the latest deals that is causing great interest here was the purchase of the Duplex Extension group, consisting of four full claims, adjoining the Duplex mine and on the same mineral lode.

The Pacific Coast Mines Bureau, purchased this group from the original owners, Moss, Allison and White, for the large sum of \$50,000 with cash payment of \$10,000.

This property is the extension of the rich and resourceful Duplex mine that was purchased by John Brockman and Count Jas. Portalis six months ago for the sum of \$250,000. The Duplex is now taking ore out of four shafts, shipping daily, milling and running their immense cyanide plant.

The Duplex ledge enters the Extension ground in all of its strength and richness and mining men here who have examined the property and are thoroughly familiar with the Duplex and also the Extension property, express the firm conviction that the larger ore shoots will be uncovered upon the holdings of the new company.

This late deal has stirred representatives of the eastern and western investors located in the camp and the extension and nearby ground of the Extension company is now greatly in demand and being sought for.

Los Angeles capitalists are doing considerable toward developing this part of Nevada and their latest investment will probably rebound to their credit.

BUYS WHOLE TOWNSITE

Acquisition of almost an entire townsite in which lots within the past year have in some cases jumped from a valuation of \$100 to \$1500 to \$2000 was announced last evening by H. H. McCord Company of No. 312 South Broadway. This townsite is that Searchlight, and the price named approximately \$50,000. The H. H. McCord Company also has

interests in this district under ground, in one or more of the rich gold mines.

Already the new branch of the Santa Fe Railroad is within ten miles of Searchlight and it is asserted that trains will be running to the town by next October. Then, it is expected that a boom will make of this important mining center a distributing point for all of that extensive mining district.

The Company announces that it will start at once to build a fine hotel to cost at least \$12,000. It will also erect stores and residences and make other important improvements.

A Heavy Load to Carry.

Along with dyspepsia come nervousness and general ill-health. Why? Because a disordered stomach does not permit the food to be properly digested, and its products assimilated by the system. The blood is charged with poisons which come from this disordered digestion, and in turn the nerves are not fed on good, red blood, and we see symptoms of nervousness, sleeplessness and general breakdown. It is not head work, nor over physical exertion that does it, but poor stomach work. With poor thin blood the body is not protected against the attack of germs of grip, bronchitis and consumption. Fortify the body at once with Dr. Pierce's Golden Medical Discovery—a rare combination of native medicinal roots without a particle of alcohol or dangerous habit-forming drugs.

A little book of extracts, from prominent medical authorities extolling every ingredient contained in Dr. Pierce's Golden Medical Discovery will be mailed free to any address on request by postal card or letter. Address Dr. R. V. Pierce, Buffalo, N. Y.

Many years of active practice convinced Dr. Pierce of the value of many native roots as medicinal agents, and he went to great expense, both in time and in money, to perfect his own peculiar processes for rendering them both efficient and safe for tonic, alterative and rebuilding agents. The enormous popularity of "Golden Medical Discovery" is due both to its scientific compounding and to the actual medicinal value of its ingredients. The publication of the names of the ingredients on the wrapper of every bottle sold gives full assurance of its non-alcoholic character and removes all objection to the use of an unknown or secret remedy. It is not a patent medicine nor a secret one either. This fact puts it in a class all by itself, bearing as it does upon every bottle wrapper The Badge of Honesty, is the full list of its ingredients.

MINSTRELS AT THE LYRIC

In presenting Mahara's Minstrels last night at the Lyric Manager Sherman deserves great credit. This company is one of the best minstrel shows that have ever visited Calgary, and the members are all artists in their various lines. All the bill-board promises were fulfilled and to spare, and the show throughout is refined, and indeed much above the average.—Baigary Press, July 2nd. La Grande Steward Opera House Aug 13.

A tragic finish

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Vancouver, B. C., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold, but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at Newlin Drug Co. 80c and \$1.00. Trial bottle free.
