Water Superintendent Gilman is superintending the cleaning of the city reservoir. The work will be completed within a very short time and by the time all the water now in the mains has been used up, the city will have some better water than it has had the past few days.

TRAIN DELAYED ON MOUNTAIN.

O. R. & N. passenger train No. 1 was delayed until 3 o'clock yesterday afternoon by an accident to the engine and by the failure of the block signal system to work satisfactory where the improvements are being made to the track. The passenger brakeman was required to walk about 25 miles down the mountain today to flag through, the signals being found out of position at almost every signal station. When the track repairs are completed the signals will work all right again. A freight engine pulled the train into Pendleton.

TEACHER'S EXAMINATION

County School Superintendent, assisted by principal of Union's school, and Miss Kuhn, of this city, are conducting a teachers' examination this week at the high school building. Thirty-one applications are now writing for the county certificate and six are trying for the state right to teach. The county teacher's papers will all be completed by Friday evening of this week but the state examination will go over into next week.

Superintendent Bragg is pleased with the large number of applicants and the excellent showing made by papers already in his possession.

WALLOWA FOREST FIRES

For the first time this year this district has been clouded by the smoke of forest fires. Last week a blaze was started on the west bank of Indian Creek canyon, covering some hundreds of acres of the best timber land of that section, and rapidly spreading in a south and east direction. It will, unless assisted by a heavy wind, soon be under control, as a party of firefighters of that section is putting forth all possible resistance. The loss will not exceed \$10,000.
