THE OPERA SEASON

"The Royal Chef" a musical comedy, which has been having a successful run in Chicago, is billed for La Grande. The management of the company have expended a small fortune on the scenic effects and costumes and it is said to be one of the most elaborate productions of the season. There is no too much plot to "The Royal Chef" but it gives a chance for a lot of handsome young women to wear stunning gowns and for the corps of clever comedians to introduce novel specialties.

Among the catchy airs which will be sung for the first time in the Royal Chef at the opening are "Tammany", which bids fair to be the hit of the season, "Spin Again", "O'Reilly", "Under the Mango Tree", "Strolling", and "Let Me Go Back." A feature of the production is the chorus, which in addition to being a beautiful one, includes all of the original "broilers."

DIED

GRiffin—In this city, Saturday, August 18, 1906, Mrs. Louise J. Griffin, aged forty seven years.

Death came suddenly as on Saturday morning she was apparently enjoying her usual good health and was returning home about eleven o'clock from the business district, when she fell in front of N. K. West's store. Medical aid was summoned at once, and she was taken to the La Grande hospital where all that could be done for her during the day. At eight o'clock Saturday she succumbed. The attending physicians pronounce the cause of death a stroke of paralysis.

The deceased leaves three sons and one daughter to mourn her loss. They are B. V. Griffin, J. A. Griffin, two grown sons; G. G. Griffin aged fourteen years, and Mary Griffin aged eleven. The two elder sons are members of Co. L. O. N. G., and were in camp with the state troops at American Lake. They were notified at once and arrived in this city Sunday evening. Besides her children she leaves three brothers, two in this state and one in Kansas City, Missouri.

The funeral will take place tomorrow afternoon from the Methodist Church South. Rev. Gibson, pastor of the Baptist church, officiating. The interment will be held in the Masonic cemetery.

The bereaved family has the truest sympathy of the entire community at this time of their bereavement.

All Ready For Baby,

The young mother thinks, when she has completed the baby garments that are to clothe the little form. But she is not all ready for baby's coming, unless she has done something more for the baby than merely to prepare his clothes. Many a young mother who goes through hours of pain and suffering wonders why it was not possible to prepare in some way for the baby's advent, and to avoid the agony that seemed almost unendurable. Dr. Pierce's Favorite Prescription is the one medicine for women which prepares them perfectly, both for the burdens and pleasures of maternity. It prevents the morning sickness from which so many women suffer. It strengthens the whole body, so that there is no nervousness nor anxiety. It promotes a healthy appetite and causes refreshing sleep. It gives the mother strength for her trial and makes the baby's advent practically painless. Healthy mothers have healthy children, and it is the general testimony of those who have used Dr. Pierce's Favorite Prescription as a preparative for motherhood, that the children were healthier and happier than those born after months of mental misery and physical anguish on the part of the prospective mother.

Sick and ailing women are invited to consult Dr. Pierce by letter absolutely without fee or charge. As chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., Dr. R. V. Pierce, assisted by his staff of nearly a score of physicians, has in the past thirty years and over treated and cured more than half a million sick and suffering women. The testimonials of these cured women are on record. A large number of them were cured when doctors had pronounced a cure impossible and after enduring years of useless suffering.

Let no sick women hesitate to take advantage of Dr. Pierce's offer, but write at once and so secure the professional counsel of a specialist in the diseases of women, entirely free. All correspondence strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Hoped for Death.

"Put the sake of poor suffering women, I feel it my duty to inform you of the great benefit your medicine has given me," writes Mrs. Callie Bowles, of Watts, Fredell Co., N. C. "I was in most miserable condition when I wrote to you. I had uterine disease so bad I could scarcely walk and suffered such dreadful misery I hoped to be relieved by death. You wrote to me to take your 'Favorite Prescription' and I have taken eleven bottles of it, and two of your 'Pleasant Pellets.' I am entirely well and feel like a new woman. I feel thankful to God and to Dr. Pierce for the blessings I now enjoy. I have a fine big boy, two months old and never got along as well in my life. I can't praise your medicines enough."

Very Grateful.

"I will be very glad to say a few words for Dr. Pierce's Favorite Prescription," writes Mrs. P. S. Douglas, of Mazonville, Broome Co., Quebec. "During the last four months when I looked forward to becoming a mother I suffered very much from nausea and vomiting and I felt so terrible sick I could scarcely eat or drink anything. I hated all kinds of food. At this time I wrote to Dr. Pierce and he told me to get his 'Favorite Prescription' and a bottle of Golden Medical Discovery. I got a bottle of each and when I had taken them a few days, I felt much better, and when I had taken hardly three parts of each bottle I felt well and could eat as well as any one, and could do my work without any trouble. (I could not do any thing before). I feel very thankful to Dr. Pierce for his medicine and I tell all who tell me they are sick to get these medicines or write to Dr. Pierce."
