Mr. Rice of the Hot Lake Sanitarium is in La Grande today on business connected with that popular institution.

Mrs. H. C. Cotner and daughter Maud, left this morning for Pomeroy where they will visit friends and relatives a few weeks.

Mr. and Mrs. D. H. Steward left Saturday evening for Portland. Before returning Mrs. Steward will visit her sister at Central Point in Jackson county.

Rev. B. F. Meredith leaves in the morning to attend the annual conference which meets this year at Idaho Falls. As the church at its official meeting unanimously requested that he be returned, it is generally expected that the Bishop will grant their request.

John Marony alias numerous names but best known all over the coast as "Box Car Casey" struck La Grande again and again proceeded to fill up on fire water and is now sleeping off the effects of his indiscretion in the city bastille. He must like the company of bedbugs as he has been there before.

ON AN EXTENDED TRIP

C. B. Simmons leaves tonight on an extended business trip to Denver, Kansas City, Chicago and Omaha. He will incidentally visit his birthplace, Kenosha, Wis. for a day or two, and altogether will be away about two weeks. A party of young people, Misses Frances Massee, Gertrude Ralson, and Eva Niell, with Mr. L. F. Fortunately the space between the two cars was not diminished and her foot was removed after a severe sprain. Railroad men stated last night that they had never heard of a similar accident.

Admiral Vest, the man of Magestic Range fame, is in the city this week and is meeting old friends and singing songs of praise regarding the virtues of the Magestic. AN ATTRACTIVE SMOKE

means a fine cigar. There is a fascination in La Fiere De Hackman's special cigars that is irresistible, even to those who do not use tobacco. It is not hard to account for, however, because it is the highest type of a cigar. Havana filled, Havana wrapper, hand made. It has many imitators, so be sure and get the real thing.

GO IF YOU CAN

The Fourteenth National Congress will meet this year at Boise from the 3rd to 8th of September. A special train will leave Portland and pickup delegates at all intermediate points.

Wm. Miller president of the Commercial Club will be pleased to appoint any one as a delegate who will attend.

Special rates will be given and there should be quite a number attend from this valley and city.

Union county is just beginning to become awakened to the advantages of irrigation and all who have given the subject consideration readily admit that irrigation has more in store towards the development of this valley than any one thing that could be possibly be brought about. Much valuable information could be secured at the convention and all who possibly can should try and attend. If you can let Mr. Miller know and he will provide you with the proper credentials.
