**NEW YORK I. O. O. F.
 ARE IN CONVENTION TODAY**

(Scripps News Association)
 Buffalo, N. Y., August 21.—What is
 expected to be the greatest state conven-
 tion of the Odd Fellows of the state of
 New York opened here today in the most
 auspicious manner. The city is handsomely
 decorated and thousands of people fill
 the streets, which bear a decided holiday
 aspect. It is estimated that fully thirty
 thousand members of the order are in the
 city and many of them are accompanied
 by their ladies. The arrangements for
 the reception and the entertainment of
 the visiting delegates are thoroughly sys-
 tematized and everything moves smoothly.
 Although the hotels are taxed to their full
 capacity the visiting Odd Fellows have no
 difficulty in finding suitable quarters. One
 of the great events of the Grand Lodge

convention will be the parade this after-
 noon. It is expected that fully thirty
 thousand Odd Fellows will take part in
 the procession. Prizes amounting to a
 total of \$2500 will be awarded to the
 winners of the various contests. The
 largest prize, of \$150 will be awarded to
 the Canton having the largest number of
 chevaliers in line and presenting the finest
 appearance. Another prize of \$150 will
 be awarded to the best uniformed subor-
 dinate lodge in the parade. Other prizes
 of \$100 to \$25 will be awarded the lodge
 or canton coming the longest distance, the
 best drilled Canton, etc. The reviewing
 stand is located at Lafayette Square.
 Among the delegates are fifteen hundred
 from Hamilton, Ont. The convention will
 last four days. The headquarters of the
 Grand Lodge are at the Iroquois Hotel.

**A LETTER
 ON WATER
 SITUATION**

Mr. Editor La Grande Observer:—In
 regards to the La Grande Water proposi-
 tion.

After reading the Mayor's report I was
 well pleased with the results of the Bea-
 ver-creek investigation. But I am not
 pleased with the Mayor's method as he
 expressed it of conveying the water 8 or
 10 miles in wooden boxing, as the boxing
 would become slimy and pollute the water
 especially when crossing meadow land or
 passing through dark forest and after a
 time be subject to constant repair a con-
 crete sewer would do for miles at the be-
 ginning without pressure. But I think the
 best method is the latest improved pipe
 from a natural and permanent reservoir
 at the source, and if the pressure is too
 strong for the pipe empty them if neces-
 sary into natural reservoirs.

It is essential when first doing the
 work to get all the water or power that
 can be obtained from that district. We
 can lease our surplus power for factories
 to help pay up our city's indebtedness. It
 is a well known fact that our sister coun-
 ties, Willowa and Umatilla, are sheep
 raising counties. Then why stand back
 and let their wool product pass our doors
 to eastern and other markets to be man-
 ufactured when we can just as well man-
 ufacture it at home. Then let us put our
 heads together and paste on the wall the
 motto of great and glorious country,
 United We Stand, Divided We Fall," and
 put in a woolen mill in the city of La
 Grande that will do credit to Eastern
 Oregon.

W. H. FERGUSON.
