### AN ATTRACTIVE SMOKE

means a fine cigar. There is a fascination in La Flor de Hackman's special cigars that is irresistible, even to those who do not use tobacco. It is not hard to account for, however, because it is the highest type of a cigar—Havana Blend, Havana wrapper, hand made. It has many imitators, so be sure and get the real thing.

### TWENTY-FIVE INITIATED

It was a business evening for the Foresters of America last night. Twenty-five new members were initiated. At the conclusion of the evening's business, which lasted several hours the newly initiated members were treated to a royal feast that smacked of many delicacies. State deputy Baker informs us that there were twenty additional applicants who could not be taken into the order last evening on account of absence from the city. He spoke highly of the interest manifested by the members of the local order and prophesied that ere long La Grande will have a rousing hunting lodge of foresters.

### DAINTY

Treats in eatables, so folks say, wait daily at our tables to refresh the inner man. Our restaurant will give your stomach a rest, because the foods are carefully selected and cooked under orders of a chef of wide reputation. Our bill of fare is varied daily and always contains some choice dishes. Live not to eat but eat to live and dine with us. It will be a picnic to your interior department.
