GRANDE RONDE VALLEY STRAWBERRIES AND APPLES

Mesdames James Ireland and B. F. Scott yesterday drove out to the farm of the Oregon Red Apple Co. and brought back sufficient strawberries to make a short cake from plants set out this year, also several varieties of apples among them Red June's which would be prize winners at any fair and Hawley's although summer fruit were as large as the Wolf Rivers.

This tract was originally the Jameson farm situated upon the mountain side a few miles south of the city and is among the highest altitudes upon which orchards have been planted. This fruit was grown on the old family orchard. Since its

purchase by the Oregon Red Apple Co., fifty acres have been set out into apples and twenty acres into strawberries, blackberries and raspberries. Seventy acres more have been cleared which will be set out into apples and cherries. Irrigation is not required and the samples of the family orchard which Mrs. Ireland exhibited at the Observer office this morning is sufficient to prove the adaptability of this site for an orchard and the investors will certainly reap a handsome profit when their 140 acres of orchard and berries come to bearing. Next year their 20 acres of berries will produce a large crop. This fall thirty acres more will be planted in berries.

BAD CHECK PASSED BY UNION BOY

The Pendleton East Oregonian of last evening relates the following forgery story:

One of the biggest forged check swindles that has been worked here for many months occurred last evening when J. T. Neil passed a forged check for \$184 upon Louis Moses, of the Workingmen's Clothing company. In return for the same he secured about \$70 worth of clothing, \$40 in cash and a due bill from Mr. Moses for \$70.40. Neil, who is a young fellow from Union county, is now in the county jail, having been arrested at 1 o'clock this morning by Sheriff Taylor, assisted by the other local officers.

WAS INNOCENT APPEARING

It was shortly before six o'clock last evening that the check was taken by Mr. Moses. Neil is a big built young fellow of about 20 years of age, and he said he had been working for Lorenzen Bros. on their ranch near here. He had a check upon the Savings' bank in favor of Charles James for \$184.75, and signed by Lorenzen Bros. The writing of the check is of a vertical school boy style and is identical with the signature on the back. However, the boy was an innocent appearing fellow, and Mr. Moses said he did not suspect him in spite of the size of the check. However, immediately after he had left the store Mr. Moses ascertained from the Savings Bank people that the check was a forgery and the sheriff and police were notified.

ARRESTED AT DEPOT

After securing a description of the boy from Mr. Moses the officers searched the town during the evening, but no trace of Neil was found until the delayed No. 5 pulled in at 1 o'clock.

Just after the train had pulled in Messrs Blakeley and Meeker noticed a young man with a suit case on the opposite side of the train from the depot. On being questioned by the policeman the boy said he had just arrived on the train and was going to visit an uncle named Frazier who lived here.

"Your clothes are nice and clean after the ride on the train," said Deputy Blakeley. That officer then persuaded the boy to go with him into the depot and this morning Neil said he took the deputy for a hotel runner. When inside the waiting room the officers compelled the boy to open his suit case and when it disclosed the articles that had been purchased from Mr. Moses he was placed under arrest by the sheriff.

HOME IS "ANY PLACE"

At the county jail this morning the prisoner gave his name to the sheriff as J. T. Neil, but afterwards said his name was Harry. He declares he is not yet 18. He says his home is any place and that he worked for a while at Hilgard before coming here. He has an aunt living at Elgin, Union county. He had worked for Lorenzen brothers for three days and a bona fide check for \$5 which he had with him was evidently his pay for his work on the ranch.

As soon as he was arrested young Neil admitted everything in connection with the affair and seems to show little concern over the matter.

This morning Marshall Guardane found the \$70 due bill which had been given to Neil by Mr. Moses. It was on the sidewalk in front of the tenderloin district and had been torn to pieces. When arrested Neil had but \$15 of the \$40 on his person and he had evidently spent the rest during the evening.

OLD SORES OFTEN LEAD TO CANCER

Whenever a sore or ulcer does not heal and shows signs of becoming chronic, it should arouse suspicion, because many of these places lead to Cancer. It may appear as an ordinary sore at first, and is given treatment as such, with some simple salve, wash or plaster, with the hope that the place will heal, but the real seat of the trouble is in the blood and cannot be reached by external remedies, and soon the sore will return. After awhile the deadly poison begins to eat into the surrounding flesh and the ulcer spreads rapidly, becoming more offensive and alarming until at last the sufferer finds he is afflicted with Cancer. Cancerous ulcers often start from a boil, wart, mole or pimple, which has been bruised or roughly handled, showing that the taint is in the blood, perhaps inherited. Another cause for non-healing ulcers and sores is the remains of some constitutional disease or the effects of a long spell of sickness. S. S. S. goes down to the very root of the trouble and cures so thoroughly that there is never any sign of the trouble in after years. As soon as the system gets under the influence of S. S. S. the place begins to improve, the discharge gradually grows less, the inflammation leaves, the flesh resumes its healthy color, and soon the sore is well, because every vestige of the cause has been removed from the blood. Book on sores and ulcers and medical advice without charge.

I was suffering greatly from a cancerous ulcer on my left breast, which had begun to eat, and at times would discharge very offensive matter. I knew the trouble was hereditary as an only sister, my mother and two of her sisters died of Cancer. I am fully satisfied I would have gone the same way but for S. S. S., which cured me. Belton, Mo.
