SEND FRIENDS COPIES

There are a great many residents of this valley who have numerous friends in the Eastern and Middle Western States to whom the Industrial Edition of the Observer would prove exceedingly interesting. The paper will contain those facts, figures, and illustrations necessary to give people at a distance an adequate idea of the resources and advantages of this favored section.

Unless some unforeseen delay occurs, the edition will appear early next week. Copies will cost you only 5c each. Buy a few and send them to your far-off acquaintances. One of these papers will be of even more interest than a letter. Call at this office and leave your orders, and list of names. If you pay for the copies in advance we will mail them to the addresses furnished.

HIGH PRICED HORSES

Two gentlemen of Boise during the past few days have been buying up logging horses in this valley. This morning they started on their return taking with them nine beautiful horses. The party purchased one team from Sam Brook, a span of bays for \$500. Other spans went for \$450. In all nine heavy draught horses were picked up in this valley.

G. H. POWERS SAYS

All right, keep right on paying the other fellow 15% until he has the price of the property in rent and still keep the house. He can stand it if you can, but your duty is to buy a home and the rent will turn the other fellow out in a few years and you in as owner. Two parties answered my distress sign last week and now will not let any for sale shingle hang over their door. C. F. Johnson from Portland now owns an acre in Pleasant Home and new five room house. Only paid me \$1000 for it. Also Mrs. E. E. Stotts a fine up-to-date cottage and two lots close in, a \$1250 snap. Only a few left. Better come in and see me, or you'll miss me when I'm gone. THE BROKEN LAND MAN.

I live and let my brethren live
With all that's good to me;
Unto the poor some cash I give,
The balance I give Rocky Mountain Tea

A tragic finish

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a runaway break, devastating an entire province of Holland. In like manner Ker-eth Melver, of Vaconboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold, but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at Newlin Drug Co. 50c and \$1.00. Trial bottle free.
