RAPE CASE IN BAKER COUNTY ON

Nine jurors were selected this morning in the circuit court for the trial of Henry Moody, charged with statutory rape, when the entire panel of twenty-one jurors was exhausted, and Sheriff Ed. Rand was ordered to summon eight talesmen to be present in court by 1:30 o'clock to continue the selection of the jury. The men were all to be chosen from the body of the country—not from town.

Moody is a prominent Eagle Valley rancher, a son of George Washington Moody, one of the pioneers in that country.

The prosecuting witness is a girl twelve years of age at the time the alleged crime is said to have occurred on February 1, 1906. The charges preferred against Moody created a profound sensation because of the prominence of the parties concerned and feeling in the case, especially in Eagle Valley runs very high.

The spirited contest over jurors this morning portends a bitter fight in the trial of the case. Each juror summoned was carefully examined by both defense and the state as to his qualifications and where over the slightest suggestion of that which might influence a verdict was shown the juror was promptly rejected.

Charles F. Hyde and J. M. Strayer are defending Moody, and District Attorney Lomax is being assisted by Judge T. H. Crawford of La Grande in prosecuting the case.—Baker City Herald.

PUT UP BOXES

If our daily readers will put up small boxes on their gate posts, they will confer a great favor upon the Observer carrier boys and will also insure a more prompt and certain delivery. The stormy weather will soon be here and with it the loss of papers by wind and rain. Put up a box and see if you do not have less trouble getting your paper.

G. H. POWERS SAYS

All right, we're right on paying the other fellow 15¢ until he has the price of the property in rent and still keep the house. He can stand it if you can, but your duty is to buy a home and the rent will turn the other fellow out in a few years—and you in as owner. Two parties answered my distress sign last week and now will not let any for sale thing hang over their door. G. F. Johnson from Portland now owns an acre in Pleasant Home and new five-room house. Only paid me \$1000 for it. Also Mrs. E. E. Stutz a fine up-to-date cottage and two lots, close in, a \$1250 one. Only a few left. Better come in and see me, or you'll miss me when I'm gone. THE BROWN LAND MAN.

A tragic finish

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Vancouver, B. C., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold, but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure at Newlin Drug Co. 50c and \$1.00. Trial bottle free.
