MUTUAL LIFE HOLDS ELECTION

(Scripps News Association)
New York, Sept. 18--For the first time in their lives the policy holders of the Mutual Life Insurance Company are enjoying the privilege today to cast their votes at an election of directors, without any attempt of coercion on the part of the administration of the company. There are three distinct tickets in the field, the regular administration ticket, the independent ticket headed by John De Witt Warner and the ticket of the International policy holders' committee. It is believed that the two anti-administration factions will combine against the administration and the defeat of the latter is confidently expected.

VAUDEVILLE ON FIFTH AVENUE

(Scripps News Association)
New York, September 18--Keith & Proctor's Fifth Avenue Theatre re-opens today under the management of E. F. Albee as a continuous vaudeville house. The management has decided to keep open on Sundays and to have continuous concerts beginning in the afternoon and lasting through until night closing. This is the first house in the city to introduce this innovation.

CRUEL TO KEMEN

(Scripps News Association)
Omaha Sept. 18--Acting on the orders of Mayor Dahlma, the police this morning arrested the driver and crew of an ice wagon for refusing to sell ice to families who innocently prosecuted the Ice Trust for giving short weight in ice. The mayor says if the trust continues to practice he will wreck their wagons and throw their ice in the gutters.

DO YOU KNOW

That Dr. Pierce's Favorite Prescription is the only medicine sold through druggists for woman's weaknesses and peculiar ailments that does not contain large quantities of alcohol? It is also the only medicine, especially prepared for the cure of the delicate diseases peculiar to women, the maker of which is not afraid to take his patients into his full confidence, by printing upon each bottle wrapper all the ingredients entering into the medicine. Ask your druggist if this is not true.

"Favorite Prescription," too, is the only medicine for women, all the ingredients of which have the unqualified endorsement of the leading medical writers of the several schools of practice, recommending them for the cure of the diseases for which the "Prescription" is advised. Write to Dr. R. V. Pierce, Buffalo, N. Y., for a free booklet, and read the numerous extracts from standard medical authorities praising the several ingredients of which Dr. Pierce's medicines are made, and don't forget that no other medicines put up for sale through druggists for domestic use can show any such professional endorsement. This, of itself, is of far more weight and importance than any amount of so-called "testimonials" so conspicuously flaunted before the public, in favor of the alcoholic compounds.

The "Favorite Prescription" cures all woman's peculiar weaknesses and derangements, thus banishing the periodical headaches, backaches, bearing-down distress, tenderness and dragging-down sensations in lower abdomen, accompanied by weakening and disagreeable catarrhal, pelvic drains and kindred symptoms.

Dr. Pierce and his staff of skilled specialists may be consulted free by addressing as above. All correspondence is treated as sacredly confidential. By consulting in this way the disagreeable questionings and personal "examinations" are avoided.

The People's Common Sense Medical Adviser contains some very interesting and valuable chapters on the diseases peculiar to women. It contains over one thousand pages. It is sent post paid, on receipt of sufficient in one-cent stamps to pay cost of mailing only, or 21 cents for a copy in flexible paper covers, or 31 cents for a cloth-bound copy. Address Dr. R. V. Pierce as above.

Dr. Pierce's Pellets regulate and invigorate stomach, liver and bowels. One laxative, two or three cathartic.

A Refractionist of Uncommon Ability Makes Examination Free

Dr. W. H. Keating, the eye specialist of Salt Lake, is being kept busy. Many people are taking advantage of this noted specialist's visit here to have proper glasses fitted. The doctor grinds every pair of glasses he fits, insuring a perfect fit, and those who have gotten glasses from him consider his charges very reasonable. The doctor is not a stranger in the city, as he has been making his yearly visits here for the last five years. The doctor guarantees any glasses fitted by him to be entirely satisfactory and we can vouch for the fact that he is thoroughly reliable.
