GENERAL WEATHER SUMMARY

The opening and closing days of the week were pleasant, and there was at this time an abundance of sunshine. During the middle of the week moderately heavy rains occurred for four days in the western counties. The winds during the stormy period were southerly and high in the coast counties, but in the interior they were very moderate. The temperatures were below normal and it was especially cool during the afternoons. During the clear spell at the beginning and the close of the week, the nights were also unusually cool, and light frosts occurred in exposed places in the southern and eastern counties.

NOT LAKE IMPROVEMENTS

The new 200-room hotel addition to the Hot Lake Sanatorium is rising fast. Already the brick-layers are above the second story. The rooms are needed right now, for the present commodious building is at most times crowded to the doors. Hot Lake, "The Arkansas of the West," is destined to receive a patronage from all over the United States.

No other waters that furnished by Mother Nature are superior in curative properties. Thousands of people date their restoration to health from a couple of weeks spent at this great Grande Ronde Valley resort.

West Haven Conn., Sept. 19.—The state convention of the Prohibitionists of Connecticut will meet here this afternoon in the Town Hall and will continue for two days. A full state ticket will be nominated.

G. H. POWERS SAYS

All right, keep right on paying the other fellow 15% until he has the price of the property in rent and still keep the house. He can stand it if you can, but your duty is to buy a home and the rent will turn the other fellow out in a few years and you in as owner. Two parties answered my distress sign last week and now will not let any for sale shingle hang over their door. C. F. Johnson from Portland now owns an acre in Pleasant Home and new five room house. Only paid me \$1000 for it. Also Mrs. E. E. Stotts a fine up-to-date cottage and two lots close in, a \$1250 snap. Only a few left. Better come in and see me, or you'll miss me when I'm gone. THE BROKEN LAND MAN.

A tragic finish

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Vauceboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold, but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at Newlin Drug Co. 50c and \$1.00. Trial bottle free.
