Can You Bite Hard?

You should be able to. Something is wrong if you cannot.

Nature intended you to have teeth as strong and as perfect as an Indian's.

But almost no one now-a-days (except an Indian) has perfect teeth.

Nature cannot grow new teeth for you (if you are past the milk teeth stage) but expert Dental science can fix your mouth so skillfully that in both comfort and appearance you will never feel the loss.

Expert, scientific, painless dentistry.

Don't delay — it doesn't pay — consult us today.

Charges very reasonable.

CALL FOR BIDS

Notice is hereby given that the undersigned will receive sealed bids up to and including the Third day of October, 1906, for the construction of a wooden (combination) bridge to be built over the Big Ditch on what is known as the Randall Road, said bridge to be built in accordance with the plans and specifications now on file in my office.

Sealed bids will also be received on or before the above mentioned date for the construction of a steel bridge over the Grande Ronde River near the mill site of the Palmer Lumber Company near La Grande, Oregon. Said bridge to be a 100 foot span, 16 feet in width, with first class concrete abutments, a good quality of steel and shall be built 10 feet above the bed of the river. Each bidder is required to furnish his own plans and specifications for said bridge.

The County Court of Union County, Oregon, reserves the right to reject any or all bids.

Dated at La Grande this 11th day of September, 1906.
