AMUSEMENT

Elmer Walters' temperance play "A Millionaire Tramp" which has met with much genuine success during the past five years is booked to appear at the Opera House Sept. 28. This comedy drama has many odd characters that appeal to the theatre-goer. The scenes are natural and the dialogue is said to have been handled in an extremely clever manner by the author. "A Millionaire Tramp" bids fair to out-live the majority of its imitators for the season that the plot of the play appears alike to gallery and parquette. Jay Pierpont, the name assigned to "A Millionaire Tramp" has not graduated from the ranks of the husky vaudeville hobo—he is a gentleman of culture whose downfall was directly caused by a broken heart and fast company in which John Barley Corn played an important part. At La Grande Sept. 28.

REALLY GOOD

A noted production "On the Bridge at Midnight" due here in a short time, is a remarkable example of a true comedy-drama. It is in fine contrast with the sensational horseplay that is often foisted on the unsuspecting who seek real dramatic entertainment. The celebrated scenic superiority of "On the Bridge at Mid-

night" including the great bridge scene but have supplied a deeply interesting, wholesome story of humor, pathos and romance woven together with naturalness. Such comedy characters as Reddy, the newsboy; and Germany, the professor, arouse the most genuine laughter because truly humorous. The serious roles are pictures from life and especially convincing as played by the exceptional company presenting the play this season. Wednesday, September 26.

October first is the date set for the Scotch entertainers. Wherever they have been, in all parts of the world, they have given genuine satisfaction.

Comments:
PARIS—The hall was crowded and the entertainment a great success. It is the first Scotch concert which has ever been given in Paris.

S.S.S. PURELY VEGETABLE

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine to be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to its being the cause of any disease is the real thing in which the system is left after a course of medical treatment. Medicine containing mercury, arsenic, or other strong mineral poisons often do permanent injury to the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the health and so decreasing the system that even if the original cause of the disease has been removed, it is left in a weak and debilitated condition that the health is permanently impaired. S. S. S. is the only blood purifier in the market that does not contain a mineral property in any form. Being made entirely of roots, herbs and barks it is absolutely harmless to every part of the system, and while curing disease adds strength and builds the blood and gives better and more lasting results than any other blood medicine. S. S. S. is the very best treatment for Rheumatism, Catarrh, Neuralgia, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all troubles due to an impure or poisoned blood supply. Besides being the King of blood purifiers S. S. S. is the best and most invigorating of all tonics.
