HOW TO BUILD UP A TOWN

Praise it.
Improve it.
Talk about it.
Write about it.
Trade at home.
Be public spirited.
Take a home pride in it.
Tell of its business resources.
Tell of its natural advantages.
Trade and induce other to trade here.
When strangers come to town use them well.

Don't call your best friends frauds and imposters.
Support the local institutions and benefit your town.
Look ahead of yourself when all the town is to be considered.
Don't forget you live off the people here, and you should help others as they help you.
Don't advertise in the local paper "to help the proprietor," but to help yourself.
Let's get together and keep things moving, hustling all the time.

ALASKA-YUKON EXPOSITION

Seattle has undertaken a great enterprise and will succeed. It is determined that there shall be held in that city, from June 6th to Sept. 30, 1909, a great fair, to educate the American people on the vast resources of Alaska and the Canadian Yukon and the stupendous possibilities of trade development between those countries and those people within sound of the surf of the Pacific Ocean.

Already the promoters of this fair are at work and the Seattle spirit knows no such as failure.

The hearty support and co-operation of every northwest city will be given, that can be relied upon. All are in full sympathy with the movement.

The Commercial Club of Spokane is out after \$100,000 to be used in advertising the Northwest. May they succeed.

"I would like 2 C U B A little less revolutionary," is what T. R. might say in fonetics.

Every politician in the state of Washington is for the direct primary. But with mental reservations and jokers that will show up in the legislature. They are all saying as little as possible about the Oregon reform of direct legislation, which is possibly of infinitely most value to the people than direct primaries.

"Shall the Democratic party die?" asks the New York World. Well, the symptoms are alarming. Is there any good reason why it shouldn't die? Or possibly it has something important to say before passing in its checks. There is no need to hurry about mourning badges. The obsequies will not be held for some time yet. The "corpus delicti" has a habit of getting lively when least looked for.—Dallas Chronicle.

IF YOU HAVE A TASTE FOR THE BEST

By the use of Japanese Anti-dustine Compound, floors may be swept without raising dust, removing all ordinary dirt and keeping the floor clean and sanitary. It disinfects and destroys microbes, and as it enables the dust to be swept from the room without the same rising, disease germs will not be inhaled.
No store or public building should be swept without first being sprinkled with Japanese Anti-dustine Compound.

A LITTLE TALK ON ICE CREAM SODA

NOT BETTER THAN THE BEST
BUT BETTER THAN THE REST

To maintain the reputation we have acquired for supplying the needs of our many patrons in every department, a reputation we point to with pardonable pride, we want, now, to advise you that we have opened our soda fountain with a new line of crushed fruits and fruit juice which excel any which we have ever had, and while we may occasionally find a party who has never tried one of our delicious ICE CREAM SODAS we find a hundred who have, and do, and always will, because they want the best and appreciate a fine article. We have some new flavors this year which are going to be of universal favor on account of their delicate flavors. Hoping you will kindly favor us with an early call, so we may show you. We are respectfully,
