

# REASON

Why go and buy a ready made suit when I can make you one just as cheap. Measured by an experienced tailor as it takes years to learn how to take measures and give a man a fit and a good suit. How can a clerk with no experience except to go by a book form, give you what you pay for?

# LARGEST CHICKEN FARM

(Scripps News Association)  
Easton, Pa., Oct. 1.—The largest chicken farm in the world is soon to be started in Palmer township three and one half miles from here. The farm, which consists of 107 1/2 acres, has been purchased from Wilson Bros., of Easton by William Talmage of Toronto Can., and John Haupt of this city. The land was purchased for \$15,000. The new owners will take possession today. This fall 1,000 laying hens will be placed upon it, and the number increased to 10,000. The largest chicken farm at present is said to contain 8,400. To equip and stock the new farm will mean an outlay estimated at from \$40,000 to \$50,000. Mr. Talmage is a retired wholesale druggist of Toronto.

### PRESIDENT RETURNS HOME

President Roosevelt will return to Washington tomorrow, from his home at Oyster Bay, N. Y., where he spent the summer. Soon after his return he will make a flying trip to Pennsylvania to make a speech at the dedication of the new capitol at Harrisburg and another at the county fair in York. In November the President plans to go to Panama to see for himself what is going on there. It is anticipated that another shake-up in the canal building management is near. Chairman Shonts is not generally regarded as likely to hold his job long. While the President has been at Oyster Bay, the White House has been renovated and repaired and quite a portion of the lower part has been remodeled.

### CHAMBERLAIN IS VISITING BAKER

Governor Chamberlain arrived last night from Hot Lake where he has been taking a day's vacation on his way to Harney county where he will make some addresses and visit the Burns fair. The governor was met at the train by a number of leading democrats of the city and escorted to his hotel. He is the same genial George he always is and had a hearty handshake for everyone. Democrat.

### PARENTS TAKE NOTICE

A lot of little boys are daily in and about our factory grounds, climbing into loaded wagons will surely get hurt unless a stop is promptly had. I have posted notices on our gates, "Children keep out" but it does not do the work. Kindly give notice over my signature that we will have the boys taken out by an officer if no other way. Better do this than deliver a mangled lad to his mother.

# SKIN DISEASES

## FIERY ACIDS IN THE BLOOD

All skin diseases are due to the same cause—an excess of acid in the blood caused by faulty assimilation of food and poor bowel action; this fiery acid matter is forced to the surface through the pores and glands. Pustules are formed, discharging a sticky fluid which dries and makes a crust, causing intense itching. When the crusts or scabs are scratched off the skin is left raw and bleeding. Sometimes skin diseases are in the dry form, and bran-like scales come on the flesh, or the skin becomes hard and often cracking, and the painful itching causes acute suffering. It does not matter how the trouble is manifested, the cause is the same—an excess of acid in the blood. Salves, powders, cooling washes, etc., while they relieve the itching and give the sufferer temporary comfort, cannot cure the trouble because they do not reach the acid laden blood. The best treatment for all skin diseases is S. S. S., a remedy that is purely vegetable and one which acts directly on the blood with a cleansing, healing effect. S. S. S. neutralizes the acids, and purifies the blood so that the skin instead of being blistered and burned by the fiery fluids, is nourished by a supply of cooling, healthy blood. Special book on Skin Diseases and any medical advice desired will be furnished without charge.
