G. H. POWERS SAYS

All right, keep right on paying the other fellow 15% until he has the price of the property in rent and still keep the house. He can stand it if you can, but your duty is to buy a home and the rent will turn the other fellow out in a few years and you in as owner. Two parties answered my distress sign last week and now will not let any for sale shingle hang over their door. C. F. Johnson from Portland now owns an acre in Pleasant Home and new five room house. Only paid me \$1000 for it. Also Mrs. E. E. Stotts a fine up-to-date cottage and two lots close in, a \$1250 snap. Only a few left. Better come in and see me, or you'll miss me when I'm gone. **THE BROKEN LAND MAN.**

AMUSEMENT

COMING ATTRACTION

"Pete Peterson" announced as the original Swedish Comedy-Drama is the attraction at Stewarts Opera House. The play is one of Elmer Walters most successful and popular dramas, and has this season been re-written, much new and pleasing matter having been added. Mr. Walters and his plays are old friends in La Grande and theatre goers recognize them as among his best of popular priced attractions. In Pete Peterson he has succeeded in satisfying the public demand for something that does away with the usual melo dramatic style and even the

most fastidious theatre goers will find nothing objectionable.

A good clear comedy abounding in catchy songs, sparkling dialogues and funny situations is the offering and judging from the lively demand for seats it will be well to secure them early. Friday Oct. 5.

THE ROYAL CHEF

"The Royal Chef" is down for a visit to La Grande and will appear at Steward's opera house on Monday, Oct. 8. The music of the play is not only extremely catchy, but has scored number for number with any ever written for a single production, in many a day. The scenic effects are described as great and the company with Harry Hermsen in the leading role, unusually capable. The locale of the "Royal Chef" is the mythical "Isle of Oolong," over which the "Rajah" rules in exalted dignity; finding his Chef has attempted to poison him, he has the rascal beheaded and orders "Lord Mito," his

prime minister, to find him another before sundown or suffer a like fate. The prime minister fears it is a hopeless task, but just as his time is about up he is saved by the unexpected appearance of "Heinrich Lemphauser" of Chicago, who is at once promoted to the position of "Royal Chef." The new chef turns out to be a joke-smith and around him revolves all the incidents that show clever dramatic construction. The opera is staged in fine style both in costumes and every accessory required to give it proper setting, while the specialists chorus, dancers and supernumeraries meet every requirement, and in point of numbers exceeds any that is usually required in musical comedy.
