**G. H. POWERS SAYS**

All right, keep right on paying the other fellow 15% until he has the price of the property in rent and still keep the house. He can stand it if you can, but your duty is to buy a home and the rent will turn the other fellow out in a few years and you in as owner. Two parties answered my distress sign last week and now will not let any for sale shingle hang over their door. C. F. Johnson from Portland now owns an acre in Pleasant Home and new five room house. Only paid me \$1000 for it. Also Mrs. E. E. Stotts a fine up-to-date cottage and two lots close in, a \$1250 snap. Only a few left. Better come in and see me, or you'll miss me when I'm gone. THE BROKEN LAND MAN.

**OUR QUEER LANGUAGE**

Imagine yourself a foreigner striving to master the construction of the English language. Perhaps you may be gazing at a number of vessels on the water and exclaim:

"See what a flock of ships." You are at once told that a flock of ships is called a fleet and that a fleet of sheep is called a flock. It might also be added for your future guidance that a flock of girls is called a bevy while a bevy of wolves is called a pack, yet a pack of thieves is a gang, and a gang of angels is called a host, but a host of porpoise is called a shoal and a shoal of buffaloes is called a herd. Still a herd of children is called a troop but a troop of partridges is called a covey, a covey of beauties is called a galxy, while a galxy of rubbish is called a hoard, futher a hoard of rubbish is called a heap yet a heap of oxen is called a drove a drove of blackguards is called a mob but a mob of whales is called a school, a school of worshipers is called a congregation while a congregation of engineers is called a corps, a corps of robbers is called a band though a band of locusts is called a swarm, and a swarm of people is called a crowd, a crowd of pictures is called a collection but a collection of monkeys is called a hoard, but a hoard of people is called a company, a company of ministers however is called an assembly and an assembly of soldiers is called a muster.

**YOUR CASE AND OSTEOPATHY**

You say, "I can see how Osteopathy can cure some things, but I do not see how it can help me."  
As usual you have never thought of a cause for your trouble. With slight displacements of ligaments, muscles and bones, especially of the spine and ribs, with the nerve and blood supply disturbed thereby, any form of disease may result, depending on the nature of the interference.  
The Osteopath can remove this cause in one disease as well as another. The cure then depends on Nature's power to repair the damage.  
All curable diseases, acute and chronic have been cured by Osteopathy. The following is a partial list in which marked success has been attained: Tonsillitis, dyspepsia, constipation, diarrhoea, dysentery, appendicitis, ascitis, gall stones, cystitis, enlarged prostate, "gravel," anaemia, goitre, dropsy, ia grippe, croup, bronchitis, asthma, hay fever, pneumonia, pleurisy, malaria, typhoid and all fevers, measles, erysipelas, paralysis, epilepsy, neuralgia, sciatica, nervous prostration, eczema, St. Vitus dance, spinal curvature, impotency of men, milkleg, female diseases and rheumatism (in worst forms); many forms of heart disease, diabetes, Bright's disease, consumption (except in far advance cases) and eye troubles.
