REASON

Why go and buy a ready made suit when I can make you one just as cheap. Measured by an experienced tailor as it takes years to learn how to take measures and give a man a fit and a good suit. How can a clerk with no experience except to go by a book form, give you what you pay for?

WEBSTER FAVORED
SIMPLIFIED SPELLING

The present move for a phonetic spelling system is not a new tendency after all. More than a century ago Noah Webster who later became the peer among dictionary authors, advocated a change from the glaring monstrosities of the spelling books of Dilworth and Jonson which were then textbooks in the new England schools. Webster was then a young man twenty-seven years of age, and enthusiastically went on the stump lecturing in favor of a simplified orthography but like so many who since his day have attempted to stir an inconsiderate public to realize the advantages of reform he found it useless to continue the work. Later, when preparing his famous dictionary he innovated a few rectifications in the spelling dropping the superfluous "u" in such words as "flavor," "harbor," etc. and changing the old "tre" in words of the class of "theatre" "metre" etc. to "ter."

WHO WILL BE IT

Salem, Oct. 1.—Governor Chamberlain's office is today in receipt of the formal resignation of Circuit Judge Robert Eakin of the tenth judicial district, to take effect December 31, the day before his election to the supreme bench becomes effective. Governor Chamberlain is out of the city, and no expression could be gained as to whom he will likely appoint to succeed Judge Eakin, but the five most prominent democratic candidates all of whom are in the governor's personal favor, are T. H. Crawford, Turner Oliver and Judge William Ramsey, and J. D. Slater, of La Grande; D. W. Shehan, of Enterprise, and Frank Wilson, of Union. The tenth district was created by legislative act of 1906, and is composed of Union and Wallowa county.

SAW MILL FOR SALE

A whole or half interest in a new mill practically new, and now doing a very profitable business. Capacity 18000 or 20,000 feet per day. None but steady, responsible parties having some money, and who are hustlers with a knowledge of the saw mill business should answer this ad. Good reason for selling.

Address S. care of OBSERVER.

PARENTS TAKE NOTICE

A lot of little boys are daily in and about our factory grounds, climbing into loaded wagons will surely get hurt unless a stop is promptly had. I have posted notices on our gates, "Children keep out" but it does not do the work. Kindly give notice over my signature that we will have the boys taken out by an officer if no other way. Better do this than deliver a mangled lad to his mother.

Dr. Pierce's Favorite Prescription.

Is a powerful, invigorating tonic imparting health and strength in particular to the organs distinctly feminine. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-out," "run-down" or debilitated, especially for women who work in store, office or schoolroom, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription has proven a priceless benefit because of its health-restoring and strength-giving powers.

As a soothing and strengthening nerve line, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, or St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womanly organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Cures obstinate cases. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of "female weakness," painful periods, irregularities, prolapsus or falling of the pelvic organs, weak back, bearing-down sensations, chronic congestion, inflammation and ulceration.

Dr. Pierce's medicines are made from harmless but efficient medical roots found growing in our American forests. The Indians knew of the marvelous curative value of some of these roots and imparted that knowledge to some of the friendlier whites, and gradually some of the more progressive physicians came to test and use them, and ever since they have grown in favor by reason of their superior curative virtues and their safe and harmless qualities.

Your druggists sell the "FAVORITE PRESCRIPTION" and also that famous alterative, blood purifier and stomach tonic, the "GOLDEN MEDICAL DISCOVERY." Write to Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the "Invalids' Hotel" and Surgical Institute, Buffalo, N. Y., of which he is chief consulting physician.
