AMUSEMENT

PETE PETERSON

A Swedish Comedy drama with an excellent cast and complete equipment of new scenery is one of the promises made concerning Elmer Walters' latest and best sensation Pete Peterson which come to Steward's opera house tonight. The play is said to be a distinct novelty and something entirely out of the ordinary. It relates the comical experiences of a green Swede, who contrives to land himself in several pretty lively kettles of fish and offering many opportunities for witty dialogue and ludicrous situations, that prove vastly amusing. We understand nothing like it has been produced recently. Every stitch of scenery used is carried complete it is said and if recent notices are reliable, Pete Peterson will fill a long felt want for those who want something different. Four intelligent dogs are used in the climaxes.

SOMETHING GOOD

The use of electricity is now considered one of the most important factors in staging to best advantage and up-to-date theatrical production and no matter whether of a strictly dramatic or musical character, a perfectly illuminated scene is considered of as much consequence as the work of the scene painter or property maker. Mr. Rex Lynn, the chief electrician of the "Royal Chef" has had much practical experience in designing and manufacturing the illuminations and electrical effects for many of the most successful productions thruout the country in the past ten years and many wonderful and pretty electrical effects are credited to the fertile brain of Mr. Lynn, and to him is credited the fact that all the "Chef's" scenes are masterpieces of color and light, and whose original and splendid electric stage effects far surpass any pantomime or pageant of recent years. Besides Chief Electrician Lynn, five other skilled men are required to handle the electrical effects of the "Royal Chef" which will be seen at Steward's Opera House on Monday, Oct. 8.

The amusement public is constantly growing more particular and discriminating. Therefore the demand is more and more insistent year by year in the characters of performances and performers. Theatre patrons are perpetually making greater claims upon the skill and facilities of the theatrical stars and managers. More and yet more be furnished, and the quality must always show marked improvement. It is the chief aim of the management of Jane Corcoran who will appear at the Steward's Opera House on Tuesday, Oct. 8 to meet the demands of the public and how well they have succeeded is best demonstrated by the fact that their display of selecting from Coarles Froham the Empire Theatre success, "The Freedom of Suzanne," they have even anticipated the future.

Jane Corcoran is well known thruout the territory for her ability as an actress, having visited us upon more than one occasion and giving entire satisfaction each time. Her impersonation last season as Peg Woolfington in Pretty Peg will live in the memories of all who witnessed the performance last year. This year she brings to us, a more modern play, that found success at the Empire Theatre, New York, where it had an extended run for many weeks. Miss Corcoran's manager, Arthur C. Aiston, having the confidence that he will find support from the theatre-going public if he will offer them something out of the ordinary, believes that the return will repay him for the outlay, and consequently they have gotten together Star company and production of unusual merit. This should alone guarantee a big house. Miss Corcoran's chief support will be the well known leading man James M. Brophy.

No sickly women or weak men will ever regret taking Hollister's Rocky Mountain Tea. It's brought happiness to thousands of homes. Tea or Tablets, 35 cents. NEWLIN DRUG COMPANY.

THE REASON

Why Newlin Drug Co. Continues to Recommend Vinol.

First: Because it is not a patent medicine and it contains besides tonic iron all of the medicinal curative elements of cod liver oil actually taken from fresh cods' livers, but without a drop of oil to nauseate and upset the stomach and retard its work, therefore wherever old-fashioned cod liver oil or emulsions will do good, Vinol will do far more good.

Second: Because Vinol acts first upon the stomach, creates a healthy appetite, strengthens and tones up the digestive organs, purifies and enriches the blood, and in a natural manner, restores health and strength.

Third: Because Vinol contains no injurious drugs to react upon the system; every ingredient being named on the label, a patient knows exactly what he is taking.

Fourth: Because we never sold anything in our store that gave such universal satisfaction for old people, weak, sickly women and children, nursing mothers, and to build up the system after a severe sickness, and for relieving chronic colds, hacking coughs, bronchitis and all throat and lung troubles.

Try Vinol on our guarantee. Newlin Drug Co.

Note:—While we are sole agent for Vinol in La Grande, is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

STARVING TO DEATH

Because her stomach was so weakened by useless drugging that she could not eat. Mrs. Mary H. Walters, of St. Clair St., Columbus, O., was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not eat, and my nerves so wrecked that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." Best health Tonic on earth, 50c. Guaranteed by Newlin Drug Company druggist.
