### THE TEXAS COTTON CROP

(Scripps News Association)  
Galveston, Oct. 12.—The recent rains slightly affected the cotton crop in this state, it is estimated by experts that the output will exceed what was expected. In Mexico pickers are in great demand at prices ranging from 65 cents to \$1 per 100 pounds. In the Herne section the gins are kept very busy, though a good deal of trouble is caused by the want of pickers. In Kieken the yield will be about the average though pickers are scarce. In Oakwood the crop is double what it was expected to be, and merchants doing brisk business. In Waller, cotton is coming in rapidly and the town is brisk with farmers in laying their winter supply. All the railway systems in Texas are suffering from car famine, and the worst feature of the shortage is the fact that the business has not yet reached its height.

### HALL IS NOT GUILTY

(Baker City Democrat)  
Shortly after noon yesterday introduction of testimony by the State in the case of Will Hall, charged with larceny by stealing mares, was closed and the State rested its case. Attorneys Hart and Nichols for the defense, without introducing the testimony at once moved the court for the direction of the verdict of acquittal on the grounds that there was not evidence sufficient to go to the jury. After lengthy arguments by counsels on both sides, the court allowed the motion and instructed the jury accordingly which without leaving the box returned a verdict of acquittal and the defendant was released.

Hall was charged with aiding Hindman Meldrum with stealing horses from Dorsett and Enstrong.

### THE DECREASING RUBBER SUPPLY

The decreasing rubber supply has resulted in a sharp and apparently permanent advance in prices. A Madagascar journal, according to a consular report, has compiled figures on the world's supply of rubber last year, and places this at 57,000 tons, one-third produced in South America and one-fifth in Africa. It was all used, nearly half of it coming to the United States. The world's production this year is estimated at 75,000 tons, valued at \$116,000,000. The price of Congo rubber has advanced in four years from \$1.54 to \$2.38 per kilogram of 2.2 pounds.

### REMARKABLE GEORGIAN CHOIR

(Scripps News Association)  
Atlanta, Ga., Oct. 12.—At the state fair in Piedmont Park here today over five thousand voices composed a grand chorus that sang a number of well known old songs of the south. Before the fair closes tomorrow night the full chorus will sing "Home Sweet Home." The musical portion of the proceedings was able managed by Professor A. J. Showalter of Dalton. Among the many amusements and novelties at the fair were some pyrotechnic displays by Paine, one representing a head-on collision between two freight engines. The fair has been the most successful of its kind held for a number of years.

### MINING PROPERTY IN UTAH

(Scripps News Association)  
Salt Lake City, Oct. 12.—Unprecedented prosperity prevails in all the mining camps here and work is so plentiful that numbers of operators are working short handed owing to the scarcity of labor. Bingham is rapidly coming to the front and the great work of the Utah Copper and Boston Consolidate in preparing to supply the new mills, being built at Garfield with ore, goes steadily on. The month closed with a dividend record in Utah mines of \$281,000.

### VINOL'S RELIABILITY

Prominent Physicians join with Mr. Newlin in Recommending Vinol.

Countless physicians and druggists are now prescribing and endorsing Vinol as the most valuable cod liver oil preparation known to medicine, and it is fast superseding all other forms of cod liver oil and emulsions.

A prominent physician writes: "I am satisfied that Vinol derives its wonderful life-giving and strength-creating power from the medicinal curative elements found in the cod's liver. It is the best strength creator and vitalizer for old people, weak women, children and the convalescent that I ever saw."

Another physician writes: "I could cite many cases where health has been restored in a surprisingly short time by Vinol. I should be very sorry to have to do without Vinol in my practice. It has no equal for hard colds, throat and bronchial troubles."

Now, when we tell you that we have never sold in our store a remedy of more remarkable curative and strength-creating power than Vinol, for the weak, the sick and the aged, and that, if it fails, to accomplish what we say it will, we will refund your money without question, it shows you our faith in the preparation.

Try Vinol on our guarantee, NEWLIN DRUG COMPANY.

Note—While we are sole agents for Vinol in La Grande, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.
