FEARS HUSBAND WILL STEAL BOY

The following is clipped from a Los Angeles paper bearing date of Oct. 6. Mrs. Lena Letts, living with her father and mother, her two children and her sister, Miss Adele Pfeffe, at 626 San Pedro street, has asked Prosecuting Attorney Guy Eddie for protection from her husband who, she said, she fears is trying to kidnap her boy, D. M. Letts, Jr.

Letts lives at 614 Rrth avenue, and until last Monday the others of the family resided there also. On last Sunday, it is alleged by Mrs. Letts and her sister, misunderstandings between the couple which had already caused two separations culminated in personal violence, when Letts is said by both Mrs. Letts and her sister, to have choked Miss Pfeffe, thrown his wife to the floor and was only stopped when Miss Pfeffe covered him with a revolver, and drove him out of the house.

"My husband deserted me when I was ill and in a destitute condition," Mrs. Letts told attorney Eddie, "and had it not been for \$20 given me by the city council of La Grande, Ore., and other assistance tendered me by total strangers, my children and myself would have starved. In spite of this he persuaded me again to live with him and at once began his ill-treatment. The result is the present trouble and had it not been for my sister I should have been a total wreck. As it is, I am nervous and frightened because I know he is trying to kidnap my boy and just as soon as the money can be secured I shall institute divorce proceedings."

Miss Pfeffe does not appear to be a day over 18, yet is the present sole support of the six people, bearing her burden with a light heart, but still finding time to protect her nephew.

"I will protect my sister and nephew to the end," she said last night, "and if Dave Letts tries to molest her or get the boy I will kill him, as I told the prosecuting attorney I would."

Prosecuting attorney Eddie has the matter under advisement and will take some steps in the matter within a day or two.

RESOLUTION

Be it resolved:—That a seven foot sidewalk, according to specifications provided by ordinance, be constructed along the North side of Greenwood Street from its intersection with Monroe Avenue to its intersection with R Street, and along R Street, East along lots numbered 22, 21, 20, 19 and 18, in Block 148, of Champlains Addition to La Grande.

The Recorder is hereby directed to give the necessary notice to all property owners abutting said proposed improvement that unless said side-walks are constructed within ten days from and after the date of such notice the same will be built by the City, and the expense and costs of the same made a lien against such abutting property.

I. R. SNOOK
 Recorder
 Dated at La Grande, Oregon, this 6th day of October 1906.

YANKEE PHYLOSOPHY

The dark brown taste the mornin' after comes from paintin' the town red the night afore.

Experience is a good teacher, but lots uv men hev hard work gittin' acquainted with her.

Some men keep their hands so tight on their pocketbooks that they prevent money from slippin' intew them.

If you want antique furniter why yew'll hev the latest thing they is about.

They is no sech thing ez a man hater or woman hater, but they is plenty uv cases uv saour grapes.

None uv us subject to bein' slapped on the back, but we don't want'er be made the mark for a batterin' ram.

Layin' in bed in the mornin' is a good place to think about dewin' work, but a bad place tew kerry it about.

Jest when yew are goin' tawsee somethin' good from a car window a string uv freight cars pop inter view; an' we hev a good many freight cars all threw life.

I cheerfully recommend this company to all, as being cheap, safe and reliable.

STARVING TO DEATH

Because her stomach was so weakened by useless drugging that she could not eat, Mrs. Mary H. Walters, of St. Clair St., Columbus, O., was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not eat, and my nerves so wrecked that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." MERCURY A DECEPTIVE TREATMENT

Mercury and potash are very deceptive treatments and the blood poison sufferer who depends on them for a cure is sure to be disappointed. These minerals will remove the external symptoms and shut the disease up in the system for a while, but the trouble will surely return and the loathsome symptoms of sore mouth and throat, copper-colored spots, falling hair, sores and ulcers etc., will be accompanied by the disastrous effects of the treatment. The continued use of these strong minerals will completely ruin the health and weaken the system to such an extent that the original disease often becomes incurable and sometimes fatal. Mercury and potash eat out the delicate lining of the stomach and bowels, destroy the gastric juices, producing chronic dyspepsia, cause mercurial rheumatism, salivation, and where they are taken in large quantities cause necrosis or decay of the bones. S. S. S. is the only remedy that can cure Contagious Blood Poison surely and safely. This remedy of nature, made entirely of roots, herbs and barks, antidotes and destroys the powerful virus of the disease and by purifying the blood of every particle of the poison and enriching and strengthening this vital fluid it removes every symptom and leaves the body in a strong, healthy condition. When the blood has been purified with S. S. S. the cure is complete, and not one vestige of the poison is left for future outbreaks. Do not waste valuable time, and damage your health with the mineral treatment, but cure your case with S. S. S., an absolutely safe remedy. We offer a reward of \$1.00 for proof that S. S. S. contains a particle of mineral. Book with instructions for self treatment and medical advice without charge.
