Our Graduates Receive Large Salaries
Graduates of the Pendleton Business College receive higher salaries, on the average, than the Graduates of any other Pacific Coast Business College.
This is a matter of statistics. Let us show you the "documents in evidence."
You will enjoy attending Pendleton Business College. Every bit of work is made interesting and attractive. Besides, we have a lot of bright, clean young men and women whose company you will enjoy and whose companionship will do you good.
Send for announcement booklet—it is free. Send right now while you think of it. Enter school any time. Free Railroad Fare. (E. M. Churchill, President)

MERCURY A DECEPTIVE TREATMENT
Mercury and potash are very deceptive treatments and the blood poison sufferer who depends on them for a cure is sure to be disappointed. These minerals will remove the external symptoms and shut the disease up in the system for a while, but the trouble will surely return and the loathsome symptoms of sore mouth and throat, copper-colored spots, falling hair, sores and ulcers, etc., will be accompanied by the disastrous effects of the treatment. The continued use of these strong minerals will completely ruin the health and weaken the system to such an extent that the original disease often becomes incurable and sometimes fatal. Mercury and potash eat out the delicate lining of the stomach and bowels, destroy the gastric juices, producing chronic dyspepsia, cause mercurial rheumatism, salivation, and where they are taken in large quantities cause necrosis or decay of the bones. S. S. S. is the only remedy that can cure Contagious Blood Poison surely and safely. This remedy of nature, made entirely of roots, herbs and plants, stimulates and destroys the powerful virus of the disease and by purifying the blood of every particle of the poison and enriching and strengthening this vital fluid it removes every symptom and leaves the body in a strong, healthy condition. When the blood has been purified with S. S. S. the cure is complete, and not one vestige of the poison is left for future outbreaks. Do not waste valuable time, and damage your health with the mineral treatment, but cure your case with S. S. S., an absolutely safe remedy. We offer a refund of \$1,000 for proof that S. S. S. contains a particle of mineral. Send with instructions for self-treatment and medical advice to THE SWIFT SPECIFIC CO., ATLANTA, GA.

Rock Island **FRISCO**

La Salle Street Station—Used by Rock Island-Frisco Lines.
Have YOU ever been in CHICAGO?
If so, you know the extremely convenient location of La Salle Street Station.
If you are a stranger in the city, however, it is of great importance that you learn about this magnificent and comparatively new terminal, used jointly by Rock Island-Frisco Lines.
It is nearest the heart of the city—closely adjoining the business section—within easy walking distance of State Street shopping center and all the principal hotels—the only depot on the elevated loop.
The Rock Island right-of-way into Chicago is elevated for more than eight miles out through the suburbs. Prompt arrival at Chicago terminal is thus assured. Englewood Union Station, seven miles out, affords ready access to southern suburbs—all through trains stop there.
General Agent,
Rock Island-Frisco Lines,
140 Third St., PORTLAND, ORE.

ATHLETIC EVENTS OF INTEREST

PRINCETON BEATS THE NAVY
(Scripps News Association)
Annapolis, Oct. 13.—The Navy football team was defeated by the Princeton college team today by a score of five to nothing. Neither scored in the first half, but the Princeton took a decided race in the last half and scored a touchdown.

ELGIN FOOTBALL TEAM
The Elgin High school is going to produce a football team. Principal W. L. Tucker was in the city this morning and stated that they have organized over there and within a short time will have a creditable team in the field. It will be light, however, averaging perhaps 130. He also stated that Elgin is anxious to meet La Grande on the gridiron this fall.

GIRLS BASKETBALL
The girls who are contemplating the organization of a basketball team met last evening and discussed the plans. They have been stranded on the proposition of securing a hall, all suitable halls in the city being held at enormous price. However, they are still confident of perfecting the organization.

Earl Kilpatrick and Joel Richardson, who are attending the U. of O. can be seen on the varsity campus these evenings receiving instructions under coach Bezdek, a member of the Chicago 1905 middle west champions, as to how best to fall on the ball, tackle and all the other phases of football. While their chances for the team is uncertain it would not be surprising if the two La Grande boys would make the varsity squad. The track coach at the U has his eye on Joel for the weights next spring and Earl for the jumps. Both have the ability, which will assert itself more strongly when under expert coaching.

Last evening after school hours, the new organized high school team lined up against a pick-up team and scored two touchdowns. The showing made by the candidates for the highs, is promising. For the first half the scrubs gained consistently and kept the highs from scoring. However in the second half the students assumed a more perfect offense and scored twice. "Doc" Bacon for the highs was a consistent ground gainer, going thru the scrubs' line for nice gains. The prospects for a school team brightened materially after last evening's performance. The line is light but the little fellows charged well and demonstrated that though they did not have the beef behind them, they at least showed the proper spirit and went at their opponents with a will. Bay and Herring took turns at skirting the ends. The back field is speedy and fast enough for any high school team, but the line is light.

SOCIETY

The Damen-Kranz was delightfully entertained last evening at the home of Miss Allie Stephens, who leaves soon for Portland to spend the winter.

The evening passed very quickly in searching for many hidden mysteries. A dainty lunch of ice cream, cake and cocoa were served. Those present were: Misses Gertrude Mitchell, Margaret Kirk, Stoner, Mertie Aldrich, Foulter, Jeanete Clark, Gertrude Beaver, Chamber, Mable Williams, Mesdames S. Williams, S. D. Crowe, Dupes, Scriber, Stephens.

The week just drawing to a close has been marked with many elaborate social functions. Dainty luncheons, card parties and formal receptions have been almost a daily occurrence. But society of the city has also been active in other lines than social. Literary, historical and musical organization have taken up their respective lines of work after three months of inactivity and from now on society will be at its height.

Mrs. Geo. Biggers entertained friends at luncheon last Wednesday afternoon. The home was prettily decorated with autumn leaves. Refreshments were served.

The final social event of the week will be at the H. C. Grady home this evening when Mrs. Grady and daughter, Miss Ellen entertain about seventy-five of their lady friends at Five Hundred.

The Misses Rohan and Mabel Williams entertain the Damen-Kranz at the home of Mrs. C. S. Williams, tonight at five o'clock.

Thursday afternoon the Five Hundred club was entertained at the H. S. Cavana home. Delicious refreshments were served.

COURT ADJOURNED

Yesterday afternoon Judge Eakin received news of the illness of his son who is with the family at Salem, and he adjourned court until Tuesday morning and left on the evening train for Salem.

MR. KING WANTS HELP

Will you help me just a little in arranging for the Popular Course of entertainments. The tickets will be ready for delivery tomorrow Oct. 14. I am very busy and as I expect no financial gain from the course I ask you to go to Seider's or Thorne's and get tickets leaving the price \$2 for regular or \$1 for school. The play will be ready soon and patrons will be notified as to reserving seats. The course this year this year will be excellent there being five high grade attractions. These will be given in the Central Church as follows:—

1. Victor Dorris' lecture "Under the Sculpture's Chisel" in November.
2. Lulu Tyler Gates Co., four artists, reader, violinist, bass cantante and pianists, Nov. 21.
3. Welbourn Wizard of electricity illustrated lecture, Dec. 17.
4. Rogers Griley Restal, harpists and entertainers, Jan. 25
5. Dr. John Merritte Driver lecture, Feb. 7.

Think of such a list for \$2. Will you encourage strictly clean high grade entertainments? If so join the long list of subscribers and get your tickets.
Yours Truly,
O. H. KING.

All Ready For Baby,
The young mother thinks, when she has completed the baby garments that are to clothe the little form. But she is not all ready for baby's coming, unless she has done something more for the baby than merely to prepare his clothes. Many a young mother who goes through hours of pain and suffering wonders why it was not possible to prepare in some way the agony that seemed almost unendurable. Dr. Pierce's Favorite Prescription is the one medicine for women which prepares them perfectly, both for the burdens and pleasures of maternity. It prevents the morning sickness from which so many women suffer. It strengthens the whole body, so that there is no nervousness nor anxiety. It promotes a healthy appetite and causes refreshing sleep. It gives the mother strength for her trial and makes the baby's advent practically painless. Healthy mothers have healthy children, and it is the general testimony of those who have used Dr. Pierce's Favorite Prescription as a preparative for motherhood, that the children were healthier and happier than those born after months of mental misery and physical anguish on the part of the prospective mother.

Sick and ailing women are invited to consult Dr. Pierce by letter absolutely without fee or charge. As chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., Dr. R. V. Pierce, assisted by his staff of nearly a score of physicians, has in the past thirty years and over treated and cured more than half a million sick and suffering women. The testimonials of these cured women are on record. A large number of them were cured when doctors had pronounced a cure impossible and after enduring years of useless suffering.

Let no sick women hesitate to take advantage of Dr. Pierce's offer, but write at once and so secure the professional counsel of a specialist in the diseases of women, strictly private and absolutely confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

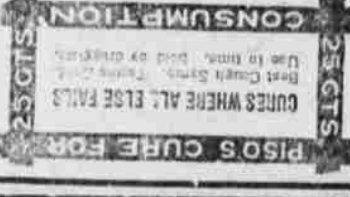

Hoped for Death.

"For the sake of poor suffering women, I feel it my duty to inform you of the great benefit your medicine has given me," writes Mrs. Callie Bowles, of Wails, Fredell Co., N. C. "I was in a most miserable condition when I wrote to you. I had uterine disease, so that I could scarcely walk and suffered such dreadful misery I hoped to be relieved by death. You wrote to me to take your 'Favorite Prescription' and I have taken seven bottles of it, and two of your 'Pleasant Pellets.' I am entirely well and feel like a new woman. I feel thankful to God and to Dr. Pierce for the blessings I now enjoy. I have a fine big boy, two months old and never got along as well in my life. I can't praise your medicines enough."

Very Thankful.

"I will be very glad to say a few words for Dr. Pierce's Favorite Prescription," writes Mrs. P. S. Douglas, of Mansouville, Brome Co., Quebec. "During the first four months when I looked forward to becoming a mother I suffered very much from nausea and vomiting and I felt so terrible sick I could scarcely eat or drink anything. I hated all kinds of food. At this time I wrote to Dr. Pierce and he told me to get his 'Favorite Prescription' and a bottle of 'Golden Medical Discovery.' I got a bottle of each and when I had taken them a few days, I felt much better and then I had taken hardly three parts of each bottle I felt well and could eat as well as any one, and could do my work without any trouble. (I could not do any thing before). I feel very thankful to Dr. Pierce for his medicine and I tell all who tell me they are sick to get these medicines or write to Dr. Pierce."

Dr. Pierce's Common Sense Medical Adviser, sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for book in paper cover, or 4 stamps in cloth binding.
