### PROSPEROUS WALLOWA

Activity in all lines has taken hold of Wallowa with so firm a grasp that even the most conservative are surprised to see the speed by which the Gate City is being increased.

Only a few months ago our little city was quietly resting on her oars taking pleasure as it came, supplying her patrons with the necessities of life, carrying little for herself, but awaiting developments.

How many new enterprises have been added, others projected and withal, Wallowa is nearing the head of the list when examined for activity. In fact the entire country has taken on a wave of activity in which many good things will be deposited in every vale, hamlet, or town in the country. Help it on.—Wallowa News.

### A HEAVY AND LATE TRAIN

Number 6, due here last evening arrived this morning at nine o'clock, carrying thirteen loaded chair cars. The train stopped here half an hour to allow passengers to secure breakfast, and the hundreds on the train tried to avail themselves of the opportunity.

For twenty minutes the restaurants did a bonanza business. Three engines took the heavy train up the mountain to Kamela.

## THE TRUTH HURT

The editor of an Indiana paper grew tired of being called a liar, so he announced that he would tell the truth in the future. The first issue contained the following:

John Donin, the laziest merchant in town, made a trip to Bellville yesterday.

John Coyle, our grocer, is doing a poor business. His store is dirty, dusty and noisily odoriferous. How can he expect to do much?

Rev. Styx preached last Sunday night on "charity." The sermon was punk.

Dave Sonkey died at his home in this place. The doctor gave it out as heart failure. The fact is he was drunk, and whiskey is what killed him.

Married—Miss Sylvian Rhodes and James Conlan, last Saturday evening, at the Baptist parsonage. The bride is an ordinary town girl who doesn't know any more than a jack rabbit about cooking, and never helped her mother three days in her life. She is not a beauty by any means, and has a gait like a duck.

The groom is well known as an up-to-date loafer. He's been living off the old folks all his life and don't amount to shucks. They will have a hard life.

The paper had no sooner reached the public than a committee was sent to him bearing a petition asking him to continue in the good old way and stating that they believed him to be a truthful, honest man.

## Mrs. Robert Whitely

Mr. Robert Whitely, of Pittsburg, Pa., writes: "My wife was subject to chronic stomach trouble and terrible nervousness; she was thin, and had a worn out look. Doctors, after great expense, all failed to help her. At last she tried Vinol, and soon the change in her condition seemed almost marvellous. She continued its use, and today she is in perfect health and has gained 36 pounds—her friends hardly know her so great is the change. To Vinol we give all the praise, and everywhere I recommend your Vinol, as I have more faith in it than I have in doctors or any other medicine."

Mr. Newlin of the Newlin Drug Co. says: "Vinol is successful in case like this because it contains in a concentrated form all of the curative properties contained in cod liver oil, the useless oil eliminated; Oid tonic iron added, and it is the greatest strength creator known to medicine. Vinol tones up the tired, weakened nerves of the stomach; it purifies and enriches the blood and strengthens every organ in the body. Try Vinol on our guarantee." NEWLIN DRUG CO.
