# SORES OFTEN LEAD TO CANCER

When a sore or ulcer does not heal and shows signs of becoming a cancerous growth, it should arouse suspicion, because many of these places lead to cancer. It may appear as an ordinary sore at first, and is given such, with some simple salve, wash or plaster, with the hope that it will heal, but the real seat of the trouble is in the blood and is not reached by external remedies, and soon the sore will return. After a while the sore begins to eat, and soon the sore will return. After a while the sore begins to eat, and soon the sore will return.

I was suffering greatly from a cancerous ulcer on my left breast, which had begun to eat, and at times would discharge very offensive matter. I knew the trouble was hereditary as an only sister, my mother and two of her sisters died of Cancer. I am fully satisfied I would have gone the same way but for S. S. S., which cured me.  
Belton, Mo. MRS. J. CASSELL.

Another cause for non-healing ulcers and sores is a constitutional disease or the effects of a long spell of sickness. S. S. S. goes down to the very root of the trouble and cures so thoroughly that there is never any sign of the trouble in after years. As soon as the system gets under the influence of S. S. S. the place begins to improve, the discharge gradually grows less, the inflammation leaves, the flesh resumes its normal color, and soon the sore is well, because every vestige of the cause has been removed from the blood. Book on sores and ulcers and medical advice free of charge.

**SCHOURERS—BARNES**  
Last evening at 6 o'clock Gerald Clyde Schourer and Hazel Emira Barnes were quietly united in matrimony by Rev. E. B. Hays.  
The ceremony was enacted in the John Gardner home with no guests present other than Mr. and Mrs. Gardner. The bride wore cream crepe de chine and was attended by Miss Elizabeth Goeck. The groom wore black, Wm. Seigrist attending as best man.  
The event was a very quiet affair, but several of the bride's girl friends called after the ceremony to offer congratulations.  
The bride is the daughter of Joseph Barnes of Lehi, Utah, and has made her home in this city for the past three years. During that time she has won for herself a large number of intimate friends. The groom is the son of Mr. and Mrs. Joseph Schourer who are residing in the Willamette valley. He has spent the past two years in this city. He is now the proprietor of the most popular ice cream parlor in La Grande and has a large host of friends, won by his honest and broad-minded tactics in business, and by his genial disposition outside of business.  
The popular bride and groom left this morning on the early train for Spokane and other coast cities. After a wedding tour of ten days they will return to La Grande and be at home here.
