## AMUSEMENT

**TONIGHT**  
"The Convict's Daughter," one of the best known of the melo-dramas, was seen at the Seattle Theatre yesterday for the second time in the last two seasons. The play is of the better sort of melo-drama and is one which allows of good work by nearly every member of the

**"PECK'S BAD BOY"**  
The Richest Mine of Natural Farce Comedy.  
It is not only an inspiration of humorous genius which impelled ex-Governor Geo. W. Peck to write the "Bad Boy" biography but in that triumph of laughable literature he furnished the richest mine of farce comedy for the playwright to draw from. Twenty years ago a wide awake manager

appreciating this fact, secured the exclusive rights to dramatize and produce "Peck's Bad Boy" which is the screamer with important additions, to be presented at Steward's Opera House on Thursday Nov. 8.

This play is not only a mirthful masterpiece whose success has been at once extraordinary and perennial, but the only genuine one of its kind; its many imitators being comparatively undeserving of consideration. Moreover the human nature with which it so brightly and mirthfully overflows, appeals irresistibly to the most emphatic appreciation and the risibles of people of every condition and age so much so that the shrill laughter of Young America is mingled with the deep guffaws of Uncle Sam's gray-haired sons.

company. The company which is presenting it this week, is under the management of Ed. R. Salter, and has for the leads, George J. Elmore, as Weary Willie, and Miss Evelyn Nicholson, as the Convict's Daughter.—Seattle Times.  
George J. Elmore, as Weary Willie, is the chief fun maker of the company, and assisted by Miss Carrie Baltimore, a charming and clever soubrette, he made enough of it to satisfy the most exacting.  
Wilbur Christie, as James Blackadder, the villain, is such an accomplished actor that in spite of the unpopular nature of his part, he won the admiration of the audience on his ability.—Westminster News.

## Chamberlain's Cough Remedy

**A Safe Medicine for Children.**  
In buying a cough medicine for children, never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it, and relief is always to follow. It is intended especially for coughs, colds, croup and whooping cough, and is the best medicine in the world for these diseases. It is not only a certain cure for croup, but, when given as soon as the croupy cough appears, will prevent the attack. Whooping cough is not dangerous when the remedy is given as directed. It contains no opium or other harmful drugs, and may be given confidently to a baby as to an adult.

## S. S. S. PURELY VEGETABLE

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to removing the cause of any disease is the condition in which the system is left after a course of medical treatment. Medicines containing mercury, potash or other strong mineral ingredients often do permanent injury by eating out the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the bowels and so damaging the system that even if the original cause of the disease has been removed, it is left in such a deranged and weakened condition that the health is permanently impaired. S. S. S. enjoys the distinction of being the only blood medicine on the market that does not contain a mineral property in some form. Being made entirely of roots, herbs and barks it is absolutely harmless to any part of the system, and while curing disease adds strength and health to every part of the body. S. S. S. removes all poisons, freshens and purifies the blood and gives better and more lasting results than any other blood medicine. S. S. S. is the very best treatment for Rheumatism, Catarrh, Scrofula Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all troubles due to an impure or poisoned blood supply. Besides being the King of Blood purifiers S. S. S. is the best and most invigorating of all tonics.
