LECTURER IS TOURING THE COUNTY

At least three more granges in Union county this winter, is the object of the State Grange of Oregon. As a forerunner of this movement, Mrs. Clara Hemason Waldo is working in this county this week. Mrs. Waldo is the wife of ex-Supreme Judge J. B. Waldo of Waldo Hills Oregon, and her ability as a lecturer has reached such a high degree of efficiency that her presence in any community is highly desirable. During her week's work in Union county she will be extremely busy Saturday afternoon she addressed a large audience in Grange Hall. The next day she addressed a meeting at North Powder and instigated a movement there, that will soon establish a grange. Messrs. F. A. McAllister and Howard Campbell of that locality have the matter in hand and will be assisted in the complete organization by State Organizer Joseph Voorhees who will arrive in Union county within a few days.

Alice has a strong grange and her advent there is being awaited with much interest. Organizer Voorhees will follow Mrs. Waldo thru the county and at least three new granges will be established.

Besides ably filling the position as state lecturer for the Grange Mrs. Waldo is editor of the State Grange Bulletin, a paper published at Forest Grove which deals with subjects of interest to farmers. She was last year elected to the board of regents of the O. A. C.

AT FRUITDALE TONIGHT

Tonight at seven thirty, Mrs. Waldo will give another of her interesting addresses in the hall at Fruitdale.

Tomorrow at two p. m. she lectures at Imbler, where there is already a Grange Hall the same day at seven thirty Summerville will hear her. Echo and Cove respectively will be visited by her on the following days and Saturday, Alice Grange Hall will be her lecturing place.

WHAT THE GRANGE IS DOING

Mrs. Waldo this morning, in a private interview, outlined a few of the causes that the Grange of Oregon is working for and needless to say they are ideals every farmer should assist in perfecting.

"We are trying to establish business in Oregon," Mrs. Waldo related "We have a greater purpose. What we are trying to do primarily is to more highly educate the farmer in a literary and social way, to bring about fewer laws but more enforcement of the laws that do exist, and do negotiate a movement whereby farming will be conducted in a scientific way. To perfect the latter cause we are desirous of having every father's son secure a practical education in an agricultural college. We want more even taxations, we want corporations to pay a just tax. Every farm house should be supplied with the better literature. Home environments also come in for betterment."

Parcel posts are encouraged by this organization. A better rural mail delivery service for Oregon is another topic which is being agitated by the Grange. There are many other subjects of vital interest to farmers that Mrs. Waldo urges in her lectures and if possible to be present, every farmer in the valley should avail himself of the opportunity to hear Mrs. Waldo.

Treating Wrong Disease.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native medicinal roots and is perfectly harmless in its effects in any condition of the system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," "run-down," "dévitalized" teachers, milliners, dressmakers, seamstresses, "shop girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, St. Vitus' dance and other distressing nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves many a restless and sleepless night.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One or three a dose. Easy to take as candy.
